

But the Snow Goose is equally important and it is imperative that the Congress Act on this legislation as soon as possible. I fear the refusal of the House to act on S. 148 jeopardizes the chances of the Snow Goose legislation this year. For that reason, I have offered an amendment to H.R. 2454 to strip the language pertaining to the neotropicals from the text of the Snow Goose bill.

As part of my agreeing to do this, I have been assured by both the Chairman of the House Resources Committee and the Chairman of the Subcommittee on Fisheries Conservation, Wildlife and Oceans that they will do everything they can to assure that the Neotropical Migratory Bird Conservation Act is considered by the full House early next year. I am encouraged by their support and wish to thank them for their willingness to try to move this legislation.

Therefore, I believe that removing the text of the Neotropical Migratory Bird Conservation Act is only a short-term setback. I am confident that once the full House has the opportunity to consider this legislation that a good bill will emerge from that respected body. I urge my colleagues to pass H.R. 2454, as amended.

Mr. GRASSLEY. Mr. President, I ask unanimous consent that the amendment be agreed to, the bill be read a third time and passed, the motion to reconsider be laid upon the table, and any statements relating to the bill be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment (No. 2774) was agreed to.
