

this historic legislation a reality upon our return early next year.

#### FIRST YEAR IN THE SENATE

Mr. SCHUMER. Mr. President, as the first session of the 106th Congress comes to an end, I cannot help but think of what an interesting and exciting first year it has been for me in the United States Senate. The experience has been a wonderful one, to say the least. As my colleagues all well know from their first days in the Senate, setting up a Senate office is a daunting task, and setting one up right does not happen by accident. Many have helped make my transition from the House to the Senate a smooth one, and I would like to take a moment to stop and thank, in particular, the dedicated and loyal employees of the Architect of the Capitol, the Secretary of the Senate, and the Senate Sergeant at Arms who played an integral role in making sure that my staff and I could serve the citizens of New York as effectively as possible.

From the Architect of the Capitol's office, a special thanks goes to the following: Sherry Britton, Michael Cain, Edolphus Carpenter, Tim Chambers, Jerry Coates, David Cox, Darvin Davis, Andre DeVore, Reggie Donahue, Ed Fogle, Bob Garnett, Steve Howell, Donna Hupp, Lamont Jamison, JoAnn Martin, Dwight McBride, Alpha McGee, Richard Muriel, Randy Naylor, James Outlaw, Albert Price, Lindwood Simmons, Sally Tassler, Doug Whittington, Jr., Clarence Williams, Carol Woods, and Greg Young.

Kim Brinkman, Timothy O'Keefe, John Trimble, and Timothy Wineman from the Office of Secretary of the Senate deserve special recognition.

And, from the Senate Sergeant at Arms office, I would like to point out: Roosevelt Allen, Sterret Carter, Robert Croson, Val Fisher, Denise Gresham, Kenneth Lloyd, Michael Lussier, Stacy Norris, Theresa Peel, Dan Templeton, Jeanne Tessieri, and James Wentz.

The professionalism that each of these individuals displayed should be a source of great pride to their bosses, and if I wore a hat, I would tip it to them. But, for now, I hope they will accept my thanks and praise for a job well done.

#### MESSAGES FROM THE PRESIDENT

Messages from the President of the United States were communicated to the Senate by Mr. Williams, one of his secretaries.

##### EXECUTIVE MESSAGES REFERRED

As in executive session the Presiding Officer laid before the Senate messages from the President of the United States submitting sundry nominations which were referred to the appropriate committees.

(The nominations received today are printed at the end of the Senate proceedings.)

#### MESSAGES FROM THE HOUSE

At 10:02 a.m., a message from the House of Representatives, delivered by Ms. Niland, one of its reading clerks, announced that the House has passed the following bills, in which it requests the concurrence of the Senate:

#### PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-372. A resolution adopted by the Senate of the Legislature of the State of Michigan relative to tobacco subsidies and food-producing agricultural activities; to the Committee on Agriculture, Nutrition, and Forestry.

#### SENATE RESOLUTION NO. 68

Whereas, For many years, even as our country has wrestled with the costly and harmful effects of tobacco use, Americans

have provided financial support for tobacco farming through federal tobacco subsidies. These subsidies include money spent for tobacco crop insurance and price support, in addition to inspection and grading services. While changes in federal agricultural programs and law have significantly reduced money going to tobacco farming and related activities, federal dollars continue to be spent on an endeavor that is harmful to our citizens; and

Whereas, One of the greatest challenges facing humanity in any age is the production of food of sufficient quantity and quality to meet ever-rising needs. Investments in the process of raising crops are among the most important commitments we can make to future generations. Subsidies for food production, research, and marketing hold the potential to touch every citizen in a positive fashion; and

Whereas, With the recent settlement among the states and the tobacco industry, the enormity of the cost tobacco exacts on our society is clear. Any money going to support any aspect of this activity would be far better spent elsewhere; now therefore, be it

*Resolved by the Senate*, That we memorialize the Congress of the United States to end tobacco subsidies and to redirect this support to food-producing agricultural activities; and be it further

*Resolved*, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.
