#### PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-430. A resolution adopted by the House of the Legislature of the State of Maine relative to the entry of China into the World Trade Organization; to the Committee on Finance.

#### RESOLUTION

Whereas, the nation of China has taken steps to become a member of the World Trade Organization; and

Whereas, membership in the World Trade Organization would give China recognition and status as an equal, legitimate partner with other countries in world trade; and

Whereas, China has an abysmal record of human rights, imprisoning those who attempt to engage in legitimate political opposition and oppressing those whose religious or political beliefs differ from those of the regime; and

Whereas, China ignores the rights of its workers and intimidates and imprisons those who seek to improve labor conditions in the country; and

Whereas, China's neighbors consider it a military threat; and

Whereas, the World Trade Organization, through its promotion of global markets, promotes multinational corporations that exploit child labor and sponsor sweatshops and poor working conditions; and

Whereas, the World Trade Organization has not shown itself to be a champion of reform in member countries; and

Whereas, membership in the World Trade Organization would increase import of cheap textiles, made inexpensive by the low pay and poor working conditions of Chinese laborers; and

Whereas, these cheap textile imports would unfairly compete with and would harm Maine's shirt, textile and manufacturing industries; now, therefore, be it

*Resolved*, That We, your Memorialists, respectfully request that the members of the
