

Although our celebrant lives in South Carolina, he travels to Miami-Dade County to visit his daughter, Mrs. Rosanna McCormick, who has been a resident of the city of Opa-Locka since 1950. Deacon Martin's grandson, Freddie L. Judson (Rosa), also resides in Miami-Dade County. Accordingly, our centennial is an ex-officio resident of the 17th Congressional District of Florida, and I am extremely delighted indeed to have the privilege of representing the members of his immediate family.

I take this opportunity to pay tribute to Deacon Martin for the exemplary life with which God saw fit to bountifully bless him. The hallmark of excellence that defined his life for a century truly evokes a magnificent longevity of service to others in his role as a deacon of Bethel Baptist Church in Pineland, South Carolina. Amidst the ever-enduring presence of God, our celebrant has touched people from all walks of life through his genuine consecration to both their social, moral and spiritual enhancement.

His charitable spirit deeply nurtured his home into an oasis of love and encouragement for his family and countless others who sought refuge and comfort within its sanctuary for so many years. Deacon Martin's centennial birthday is indeed a joyous occasion when his loved ones and friends can truly take comfort in giving testimony to his exemplary dedication to his Christian stewardship.

Buttressed by his faith and his willingness to serve others under the aegis of his church, God has truly seen fit to bless him with the longevity of an extraordinary life. The happy occasion on April 8, 2000 will eloquently symbolize a historic testimony of the respect and admiration he has forged in his community and church-family.

I wish him warmest congratulations on this magnificent milestone of his life!

HONORING JAMES H. "JIM"  
PATTERSON

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 4, 2000*

Mr. RADANOVICH. Mr. Speaker, I rise to honor James H. Patterson—a devoted father, husband, friend and transportation industry leader—who passed away Saturday morning. Jim Patterson was 55 years old and resided in Blackhawk, CA, with his wife Theresa, son Jimmy and daughter Laura.

Before moving to California, Jim was born and raised in Portland, OR, and the proud son of Howard and Dorothy Patterson. Jim was with United Parcel Service since 1966 and was serving as vice president of Public Affairs for the Northwest Region upon his formal retirement in December. Jim had served in many positions during his tenure, including being one of the youngest regional managers in the history of the company.

Jim was truly a remarkable person. He had the respect of everyone that had the pleasure to work with him. Jim's keen insight and knowledge of the industry was unparalleled. His uncanny ability to assess complicated political situations and offer appropriate remedies was remarkable. And Jim's humor would dis-

arm the fiercest of opponents and ultimately result in their affection and respect.

Jim's devotion to his friends and family was well known. Jim loved talking to people and getting to know people. In addition, he loved collecting cars and most of all—spending time with his two kids.

We offer our heartfelt condolences to all of Jim's family and especially to Theresa, Jimmy and Laura.

IN HONOR OF SAINT EDWARD  
HIGH SCHOOL WRESTLING

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 4, 2000*

Mr. KUCINICH. Mr. Speaker, I rise today to honor the members of the Year 2000 state champion Saint Edward High School wrestling team. Their four-year hold on Ohio high school wrestling's top honor shows no sign of weakening.

The Saint Edwards High School wrestling team, year in and year out, finds a way to keep their edge. This past month, the team won its fourth straight state championship, winning in resounding fashion. The Eagles' final tally of 186.5 points was nearly 100 points greater than the second place finishers. Five individual state champions set the tone for the Eagles' overwhelming dominance. Seniors Mason Lenhard and Mark Jayne each won their third titles. Jayne and senior Ryan Bertin both finished undefeated. Freshman Ryan Lang and senior Zak Schweda round out the Eagles' roster of title winners.

The 2000 Eagles squad fulfilled with ease the sort of expectations that any sporting dynasty raises. This year's state championship was the school's sixteenth all-time, a new state record. St. Edward's point total for the 2000 state tournament was the third highest in Ohio history. The Eagles' total of five individual state champions was one short of the all-time state record. The journey to Columbus was a difficult one: the Eagles grappled through what was widely recognized as the toughest schedule in school history. Taking on the best teams from across the nation, the Eagles were undefeated, finishing 14 and 0.

The 2000 Saint Edward wrestling team was, in a way, all about the journey. As Coach Gregg Urbas commented, "What we have is a room full of the hardest working kids you'll ever see, and they are very coachable. They all love this sport. Their work ethic is contagious. Those qualities will take you a long way in this sport. All of our 16 state championship teams were a little different. This team is loaded with wrestlers who kept improving week by week."

Saint Edward's dominance doesn't end at the state level. Two Eagles recently played pivotal roles in Ohio's state team's winning the national championship. Mason Lenhard and Ryan Bertin both won national titles in setting the pace for a "buckeye smackdown" at Duquesne University in Pittsburgh, Pennsylvania.

My fellow Members of Congress, join me in congratulating the 2000 state champion Saint Edward wrestling team. The Eagle grapplers do honor to my district, to my state, to their

school, and to their sport. Their recent success at both the state and national levels is a deserved reward for many days' hard work done well and done right.

TRIBUTE TO RETIRING WAYNESVILLE SCHOOL DISTRICT SUPERINTENDENT ERWIN MORRISS

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 4, 2000*

Mr. SKELTON. Mr. Speaker, it has come to my attention that a long and exceptionally distinguished career is nearing an end. Mr. Erwin Morriss, of Waynesville, Missouri, is retiring after 39 years in the education profession.

Mr. Morriss began his career in 1961 as a biology teacher and athletic coach at Jefferson City High School. In 1966, he became a teacher, coach and athletic director for Maryville schools. After that, he started his 31 years of service to the Waynesville School District as the Wood Junior High School Assistant Principal. Mr. Morriss moved to Waynesville High School in 1970 to be the Assistant Principal, and then served as the Principal for four years. He assumed the duties of Waynesville R-VI School District Assistant Superintendent in 1976 and was named Superintendent in 1991.

Mr. Morriss has earned numerous awards during his career. Most recently, he was a recipient of "The Eddy Award" presented by Governor Mel Carnahan for the school district's Governor's Choice Award. In 1997, he was a Pearce Award Nominee for the "Outstanding Missouri School Administrator," South-Central District of the Missouri Association of School Administrators. Also in 1997, Mr. Morriss received the Department of the Army Commander's Award for Public Service for his meritorious service to the Fort Leonard Wood community and the education of military children. The Missouri State Teachers Association recognized him as Missouri's Administrator of the Year in 1990 and the Waynesville-St. Robert Chamber of Commerce named him as Citizen of the Year in 1987.

An active participant in his community, Mr. Morriss belongs to many civic and professional organizations. He is a member and former chairman of the Waynesville City Planning Commission, a member and past president of the Waynesville-St. Roberts Lions Club, as well as a member of the Waynesville-Fort Leonard Wood Armed Services Young Men's Christian Association, the United Methodist Church of Waynesville, Masonic Lodge No. 375, and the Association of the United States Army. Mr. Morriss also belongs to the American Association of School Administrators, the Missouri State Teachers Association, the Waynesville Community Teachers Association and the Phi Delta Kappa Education Honor Fraternity.

As he prepares to spend more time with his wife, Susan, his son, Michael, and his daughter, Lindy, I know all Members of Congress will join me in paying tribute to my friend Erwin Morriss and in wishing him the best in the days ahead.

CONGRATULATING THE PEOPLE OF TAIWAN FOR SUCCESSFUL CONCLUSION OF PRESIDENTIAL ELECTIONS AND REAFFIRMING UNITED STATES POLICY TOWARD TAIWAN AND PEOPLE'S REPUBLIC OF CHINA

SPEECH OF

**HON. THOMAS M. DAVIS**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 28, 2000*

Mr. DAVIS of Virginia. Mr. Speaker, I rise to support H. Con. Res. 292, Congratulating Taiwan on Its Recent Elections.

The government of Taiwan is a representative democracy. On March 18, 2000, the citizens of the Republic of China (ROC) on Taiwan exercised their right to vote and elected Mr. Chen Shui-bian as their new President and Ms. Annette Hsui-Lien Lu as the new Vice-President. The popular vote election was held in accordance with the ROC's Constitution and the people of Taiwan turned out in record numbers to vote. Over 82 percent of Taiwan's 15 million citizens voted, making it one of the highest turnouts ever.

Despite rhetoric and brinkmanship from the mainland, the people of Taiwan have clearly expressed their determination to build a free and democratic society. The U.S. should continue our strong support for Taiwan's security.

Taiwan is and continues to be a strong U.S. ally. The people of Taiwan have voted their conscience. Given the events that have happened over the past several years, it is in America's best interest to promote peace in the Taiwan Straits.

The people of Taiwan should be congratulated for the democratic outcome of its presidential election. In addition, I hope that all of my colleagues will join me in congratulating the people of Taiwan for their continuing efforts to develop and sustain a free, democratic society that not only respects human rights but embraces free markets as well.

This election again demonstrates that Taiwan is a vibrant democracy and I look forward to working with the new government of President-elect Chen Shui-bian on issues of mutual concern.

TRIBUTE TO MACON-BIBB COUNTY  
FIRE CHIEF JIMMY HINSON

**HON. SAXBY CHAMBLISS**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 4, 2000*

Mr. CHAMBLISS. Mr. Speaker, today I want to recognize a great American and someone who has continuously served as Chief of the Macon-Bibb County Fire Department for the past 24 years, Jimmy Earl Hinson.

Chief Hinson began fighting fires in 1961, and, as Chief, he was instrumental in turning the Macon-Bibb County Fire Department into a Class One department. His leadership, integrity, and compassion are well known, and his retirement is a deep loss to our community.

We owe a tremendous debt of gratitude to Chief Hinson for his commitment and hard work, for putting his life on the line to protect and serve the people of Macon and Bibb

County, and for being an exemplary model of strength and honor.

It is people like Chief Hinson who keep our families and neighborhoods safe, who work hard each and every day for our protection, and who teach us about the importance of fire safety to whom we owe our sincerest appreciation. I thank Chief Hinson and wish him all the best in his retirement.

PERSONAL EXPLANATION

**HON. JULIA CARSON**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 4, 2000*

Ms. CARSON. Mr. Speaker, I was unavoidably absent yesterday, Monday, April 3, 2000, and as a result, missed rollcall votes 96 and 97. Had I been present, I would have voted "yes" on rollcall vote 96 and "present" on rollcall vote 97.

CONGRATULATING LAMAR UNIVERSITY'S MENS BASKETBALL TEAM

**HON. NICK LAMPSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 4, 2000*

Mr. LAMPSON. Mr. Speaker, I rise today to congratulate Lamar University's Mens Basketball team for their success this season and their return to the NCAA Tournament. Their return to March Madness took 17 years, but they made alumni like myself and fans of the basketball program proud.

This was Lamar's fifth trip to the tournament, and the first since the 1983 season. Lamar finished the season with a 15-16 record, and headed down the road to tournament competition with a victory at the CenturyTel Southland Basketball Classic. In their first game in the Classic, the No. 7 seeded Cardinals triumphed over the No. 2 seed Louisiana-Monroe with a 66-62 win. They then went on to win games against Southwest Texas and Northwestern State to capture the tournament.

Lamar had the unfortunate luck to draw the No. 1 team in the country, the Duke Blue Devils, as their first round opponent in the Big Dance. However, the underdogs from Texas put up a fight, and gave Duke a run for their money. Mike Dean, the first year Lamar coach, and the fans who made the trip could only be pleased with the grit and determination with which the team played.

Mr. Speaker, the members of the basketball team from my Alma Mater made me proud, and it is truly an honor to recognize them today. They have shown amazing effort and are an example of just how far dedication and hard work can get you. I offer my congratulations on an outstanding season, and I look forward to watching them succeed again next March.

HOMILY SUPPORTING CLEVELAND AREA HOSPITALS

**HON. DENNIS J. KUCINICH**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 4, 2000*

Mr. KUCINICH. Mr. Speaker, in Cleveland, Ohio we are battling to keep two area hospitals open. I insert for printing in the RECORD the following homily given by Rev. Dr. Joseph W. Skrha at Our Lady of Lourdes in Cleveland, Ohio on Sunday, March 12, 2000. This homily expresses the need for accessible healthcare for all citizens regardless of economic status, race, or religion.

Good morning:

Today is the first Sunday of Lent. Lent is a time in the Christian church during which it is suggested that we put aside activities that would distract us and to focus in on who Jesus was and is, for us, now.

Who was He?

What did He do?

What did He say?

How did He act?

To whom did He address himself?

How much suffering did this cause him?

Being rejected by the establishment, he suffered and suffered death. As we enter into his suffering, may we enter his victory and resurrection at Easter.

I wish to reflect the last sentence from today's Gospel: "the kingdom of God is at hand, repent and believe in the Gospel"—believe in the Gospel. What is the Gospel? It is the good news that Jesus shared with his disciples and followers 2000 years ago. Did it have meaning for two sisters 116 years ago? Does it have meaning for us now? I believe it did, and still does. These words give us strength and meaning in this present age.

On July 17, 1884 two Franciscan Sisters arrived in Cleveland from Lafayette, Indiana with the clothes on their backs and two dollars between them. After arriving at the train station, they were met by a Franciscan Priest and escorted to a small house at the corner of Broadway and McBride, formerly occupied by the Poor Clare Sisters. In this building they were to establish St. Alexis Hospital. The area was rather poor with the majority of the residents being recently arrived immigrants from Central Europe.

To save money on soap, the Sisters mixed sand with the soapy waters when washing the floors.

Once they walked 7 miles to receive a monetary donation of \$1.00 and they walked back in order to keep the one dollar bill intact.

At the celebration commemorating 25 years in 1909, the main speaker was Dr. George Crile who later on started up the Cleveland Clinic. He described the charity work done at St. Alexis Hospital. In its first year, 25 patients were cared for, all were charity cases. Up to 1909, 20,400 patients had been treated and of those, 15,021 were charity cases and only 1,003 had paid full rates. All creeds and nationalities were admitted on an equal basis. In 1902, of the 2,300 patients treated, Catholics accounted for less than one-fourth. The history of this hospital is rooted in charity care given to people of all races and all religious backgrounds.

In 1906, Dr. Crile performed the first human to human blood transfusion in the world. One of the Miller brothers who lived locally was dying because of a great loss of blood. With crude instruments, Dr. Crile did a direct transfusion from one brother to the other and a life was saved. It is ironic that the Cleveland Clinic which was founded by Dr. Crile wants to terminate the life blood of Saint Michael Hospital.
