The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

REPORT ON H.R. 4516, LEGISLATIVE BRANCH APPROPRIATIONS ACT, 2001

Mr. YOUNG of Florida, from the Committee on Appropriations, submitted a privileged report (Rept. No. 106-635) on the bill (H.R. 4516) making appropriations for the Legislative Branch for the fiscal year ending September 30, 2001, and for other purposes, which was referred to the Union Calendar and ordered to be printed.

The SPEAKER pro tempore (Mr. CALVERT). Pursuant to clause 1, rule XXI, all points of order are reserved on the bill.

AUTHORIZING EXTENSION OF NON-DISCRIMINATORY TREATMENT (NORMAL TRADE RELATIONS TREATMENT) TO PEOPLE'S REPUBLIC OF CHINA

The SPEAKER pro tempore. Pursuant to the order of the House today and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the consideration of the bill, H.R. 4444.

□ 1636

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 4444) to authorize extension of nondiscriminatory treatment (normal trade relations treatment) to the People's Republic of China, with Mr. LAHOOD in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. Pursuant to the order of the House today, the bill is considered as having been read the first time.

Under the order of the House today, the gentleman from Texas (Mr. ARCHER), the gentleman from Michigan (Mr. LEVIN), the gentleman from Wisconsin (Mr. KLECZKA), and the gentleman from California (Mr. ROHRBACHER) each will control 30 minutes.

The Chair recognizes the gentleman from Texas (Mr. ARCHER).

Mr. ARCHER. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, I say to my fellow Members that this debate today is likely the most important debate that we will make, not only in this Congress, perhaps in our entire careers.

I rise in strong and full support of this legislation which grants normal trading relations to China and helps to open its borders to the enterprising superiority of American workers, American businesses, and American farmers.

This historic legislation serves two critical American interests: first, it creates potentially hundreds of thousands of new higher-paying jobs for American workers; second, it helps our children and our grandchildren to live in a more peaceful world and enhance our national security.

Human rights, so important to us Americans, will be helped because we know from the testimony of many Chinese dissidents that continuing normal trade with China is a plus.

The environment is important, and this legislation will help improve environmental protection. This vote will be the most important vote that we as Members of this House will cast, as I said, in this Congress and perhaps in our congressional careers.

While the bill itself may be small, the issue surrounding NTR for China is massive. As chairman, I have worked hard to accommodate Members on both sides to produce a bill that addresses their concerns on issues, such as human rights, prison labor, environment, and anti-surge protections; and I am pleased that we can include that language for consideration by the House.

This parallel bill, as it is called, is bipartisan; and both the gentleman from Michigan (Mr. LEVIN) and the gentleman from Nebraska (Mr. BEREUTER) deserve enormous credit for its accomplishment.

Mr. Chairman, China represents over one-quarter of the world's population. Over 1 billion people will not be ignored in the international marketplace. Yes, we can agree that China's human rights do not measure up to our own standards; we can agree that their environmental and labor conditions need to be improved.

But how does suffering our economic relations with China help us to bring about the positive and monumental change which opponents to this bill say they want? Mr. Chairman, no opponent has been able to show me how we will be better off in accomplishing these goals if we turn down normal trading relations with China. If we fail today, it will certainly play into the hands of the hardliners in China, and that cannot be good for our national interests. I have said that it would be unthinkable for the Congress not to approve this historic legislation.

The American people are with us. By the most recent polling data, they
