COMMUNICATION FROM THE CLERK OF THE HOUSE

The SPEAKER pro tempore laid before the House the following communication from the Clerk of the House of Representatives:

OFFICE OF THE CLERK,
HOUSE OF REPRESENTATIVES,
Washington, DC, August 7, 2000.

Hon. J. DENNIS HASTERT,
Speaker, House of Representatives,
Washington, DC.

DEAR MR. SPEAKER: Pursuant to the permission granted in Clause 2(h) of Rule II of the Rules of the U.S. House of Representatives, I have the honor to transmit a sealed envelope received from the White House on Monday, August 7, 2000 at 12:25 p.m., and said to contain a message from the President whereby he returns without his approval, H.R. 4810, the "Marriage Tax Relief Reconciliation Act of 2000".

Sincerely yours,

JEFF TRANDAHL,
Clerk of the House.

MARRIAGE TAX RELIEF RECONCILIATION ACT OF 2000—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES—(H. DOC. NO. 106-291)

The SPEAKER pro tempore laid before the House the following veto message from the President of the United States:

To the House of Representatives:

I am returning herewith without my approval H.R. 4810, the "Marriage Tax Relief Reconciliation Act of 2000," because it is poorly targeted and one part of a costly and regressive tax plan that reverses the principle of fiscal responsibility that has contributed to the longest economic expansion in history.

Mr Administration supports marriage penalty relief and has offered a targeted and fiscally responsible proposal in our fiscal year 2001 budget to provide it. However, I must oppose H.R. 4810. Combined with the numerous other tax bills approved by the Congress this year and supported by the congressional majority for next year, it would drain away the projected surplus that the American people have worked so hard to create. Even by the Congressional Budget Office's more optimistic projection, this tax plan would plunge America back into deficit and would leave nothing for lengthening the life of Social Security or Medicare; nothing for voluntary and affordable Medicare prescription drug benefits; nothing for education and school construction. Moreover, the congressional majority's tax plan would make it impossible for us to get America out of debt by 2012.

H.R. 4810 would cost more than \$280 billion over 10 years if its provisions were permanent, making it significantly more expensive than either of the bills originally approved by the House and the Senate. It is poorly targeted toward delivering marriage penalty relief—only about 40 percent of the cost of H.R. 4810 actually would reduce marriage penalties. It also provides little tax relief to those families that need it most, while devoting a large fraction of its benefits to families with higher incomes.

Taking into account H.R. 4810, the fiscally irresponsible tax cuts passed by the House Ways and Means Committee this year provide about as much benefit to the top 1 percent of Americans as to the bottom 80 percent combined. Families in the top 1 percent get an average tax break of over \$16,000, while a middle-class family gets only \$220 on average. But if interest rates went up because of the congressional majority's plan by even one-third of one percent, then mortgage payments for a family with a \$100,000 mortgage would go up by \$270, leaving them worse off than if they had no tax cut at all.

We should have tax cuts this year, but they should be the right ones, targeted to working families to help our economy grow—not tax breaks that will help only a few while putting our
