

site, and funds to acquire additional historic property that was threatened by inappropriate development at the Fredricksburg and Spotsylvania National Battlefield Parks, and adjacent to the Colonial National Parkway.

In addition to the founding of Jamestown, and the defeat of Cornwallis at Yorktown, another major historic event occurred in the waters just off the Virginia Peninsula, the battle of the Monitor and Merrimac, or as the confederates called it, the Virginia. This one-day battle changed the course of Naval warfare forever. Unfortunately, the Monitor was lost soon afterward off the coast of North Carolina. The Monitor was located in 1972, and became the first United States National Marine Sanctuary. The Sanctuary headquarters is located at the Mariners' Museum only a few blocks from Herb and Laura's Newport News home. At Herb's request, Congress required the National Oceanic and Atmospheric Administration (NOAA) to prepare a report on the long-term conservation of the MONITOR. As a result of that study, a multi-year project is underway to stabilize the wreck, and recover, conserve, and display historically significant portions of the vessel. I am sure Herb will be pleased to know that these important historic artifacts will be protected and displayed so near his home.

Also near his home is the Monitor-Merrimac Memorial Bridge Tunnel. He helped secure the funds and permits for this important transportation project as well as the widening of the Coleman Bridge and I-95 improvements in the rapidly growing northern part of the district.

In addition to its military, historic and scientific research facilities, Herb's district includes important natural features. He represented most of Virginia adjacent to the Chesapeake Bay, including much of the James, York, Rappahannock and Potomac Rivers. His district also includes the last significant chain of underdeveloped barrier islands which run along the Atlantic Coast from Chincoteague to Cape Charles. These islands lie off the Eastern Shore of Virginia, a rural area of great natural beauty that Herb was particularly proud to serve. In addition to supporting funding for the federal Chesapeake Bay Program, he also authored legislation that was adopted by Congress to create the Eastern Shore of Virginia National Wildlife Refuge, supported the creation of the Rappahannock National Wildlife Refuge, and successfully sought funds to expand the Chincoteague National Wildlife Refuge. This year, Congress is expected to approve funds he sought to begin construction of a new education and administrative center on Chincoteague, one of the most frequently visited refuges in the country. Herb also authored legislation to ban the use of highly toxic tributyltin paints in shallow waters. That ban has now been in effect for over a decade.

Herb was educated and worked in the historic areas he was so proud to represent. After attending Newport News High School, he, like Thomas Jefferson, graduated from the College of William and Mary. While in the Air Force, he completed a law degree at Georgetown University Law School at night. After leaving the Service, he joined the Newport News, Virginia, law firm of Jones, Blechman, Woltz and Kelly. He retired from the firm as a partner when he was elected to Congress. After coming to Congress, he received an honorary doctorate from his alma mater in 1997. He also received an honorary degree from Christopher

Newport College in 1992 and Mary Washington College in 1999.

This is not a comprehensive list of Herb's work and achievements during his time in Congress, but it shows you how his life and work were intertwined with the parts of tide-water Virginia that he so ably represented for 18 years. I know his constituents will miss him, and it saddens me to think that he will not be able to enjoy the retirement that he planned to begin in January. My sympathy goes out to Laura, his children Bert and Laura, Bert's wife Mary, and Herb's beloved grandchildren, Emmy, Hank and Sam.

Mr. SHUSTER. Mr. Speaker, Herb Bateman was more than an outstanding Congressman. He was an outstanding American and a fine gentleman. We contributed mightily to his District, his state and the nation. He served together on the Transportation and Infrastructure committee where his wise advice was sought and followed. We travelled together on several Delegation trips around the world, and he and his wife, Laura, were a delight to be with.

America is less bright today because of the passing of my friend and colleague, Herb Bateman. But America is better today because of his life. May he rest in peace.

Mr. JENKINS. Mr. Speaker, it is with great sadness and a heavy heart that I come to the floor to pay tribute to our colleague, Congressman Herb Bateman of Virginia.

Herb was a great gentleman and an excellent Congressman. Herb spent much of his life dedicated to the career of public service, serving his country in the United States Air Force during the Korean War, representing the people of Virginia in the Virginia State Senate for 15 years, and representing the First Congressional District of Virginia in the United States Congress for 18 years.

Herb was a man of honor and integrity who was respected by colleagues on both sides of the aisle. He fought for the principles of the people he represented, and he never wavered in those efforts. I am honored to have had the opportunity to work with Herb Bateman over the past four years. He was a good friend and a great Congressman. The United States House of Representatives was a better place with the service of Herb Bateman. I know that I share the entire sentiment of the Congress in offering the condolences of the Congress to Herb's family and friends. He will be sorely missed by all of us.
