

they are being filled with inspiration for their futures and for their responsibilities as leaders to make this democracy even better, to not be afraid to tackle the challenges, and to be part of the goodness of this country.

These children look for the markers, look for the memories, that give them this inspiration, give them example, and give them a belief that they, too, can make a difference.

So it is important that as they walk on the steps of the Lincoln Monument, that they not forget that very important day and that very important leader that Dr. Martin Luther King was to this country.

I think it is also important to thank my constituent, Tom Williams, who wanted the events of 1963 to come alive to all who toured the Lincoln Monument. Today we honor his contribution as an interested citizen, a citizen that believed that he could make a suggestion, and that that suggestion might have a powerful result.

Finally, the movement of this legislation also honors another man, Senator Paul Coverdell from Georgia, who sponsored this legislation on the Senate side. Senator Coverdell's death was a great loss to all of us this year, and we will miss him, but like the man we are honoring here today, Senator Coverdell will also be fondly remembered in our hearts.

Mr. HANSEN. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore (Mr. RYAN of Wisconsin). The question is on the motion offered by the gentleman from Utah (Mr. HANSEN) that the House suspend the rules and concur in the Senate amendment to the bill, H.R. 2879.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate amendment was concurred in.

A motion to reconsider was laid on the table.

#### COASTAL BARRIER RESOURCES SYSTEM CORRECTIONS

Mr. HANSEN. Mr. Speaker, I move to suspend the rules and concur in the Senate amendments to the bill (H.R. 34) to direct the Secretary of the Interior to make technical corrections to a map relating to the Coastal Barrier Resources System.

The Clerk read as follows:

Senate amendments:

Page 2, line 9, strike out all after "System", down to and including "tives." in line 11 and insert "dated June 5, 2000".

Page 2, after line 18, insert:

"(c) AVAILABILITY.—The Secretary of the Interior shall keep the map described in subsection (b) on file and available for public inspection in accordance with section 4(b) of the Coastal Barrier Resources Act (16 U.S.C. 3503(b))."

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Utah (Mr. HANSEN) and the gentleman from American Samoa (Mr.

FALEOMAVAEGA) each will control 20 minutes.

The Chair recognizes the gentleman from Utah (Mr. HANSEN).

Mr. HANSEN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 34 passed the House by unanimous consent on November 18, 1999. The other body made some technical amendments to the bill which are acceptable to the sponsor of this bill.

The gentleman from Florida (Mr. GOSS) is to be commended for his determination in getting this bill through the process and to final passage.

This bill corrects coastal maps which labeled developed private property as part of a State park. H.R. 34 adopts a new map drawn by the Fish and Wildlife Service which correctly portrays the boundary of the Cayo Costa State Park in Florida.

This change is supported by the U.S. Fish and Wildlife Service. Adopting the Senate amendments will clear this bill for the President. I strongly urge passage of this legislation.

Mr. Speaker, I reserve the balance of my time.

Mr. FALEOMAVAEGA. Mr. Speaker, I yield myself such time as I may consume.

(Mr. FALEOMAVAEGA asked and was given permission to revise and extend his remarks.)

Mr. FALEOMAVAEGA. Mr. Speaker, I also want to commend the gentleman from Florida (Mr. GOSS) for his introduction of this legislation.

The Coastal Barrier Resources Act established the sound policy that the best way to protect coastal barriers was not to prohibit private development, but instead, to remove Federal benefits and financial assistance that encourage or subsidize such developments.

In general, this policy has been very successful. And that said, Mr. Speaker, Congress has found the need from time to time to correct technical errors revealed in the original Coastal Barrier System maps.

As noted by the previous speaker, the House passed H.R. 34 last November without objection. At the request of the other body, the Fish and Wildlife Service completed a digital analysis of public land holdings on North Captiva Island that are presently included in the otherwise protected area labeled as P-19P.

The new map was developed by the Fish and Wildlife Service to depict more detailed analysis. This new map, dated June 5 of this year, was adopted by the other body when it passed H.R. 34 last week. It is our understanding that this new map has not changed in any way the corrected boundaries for Cayo Costa State Park.

Furthermore, we understand that these digital clarifications have not removed any area from either the otherwise protected area of P-19P or from the adjacent coastal barrier resources system unit, P-19.

Lastly, the Fish and Wildlife Service fully attests to the accuracy of this new map. As a result, we have no objections to this legislation as amended by the other body to adopt the map dated June 5 of this year.

This legislation falls within the realm of legitimate technical corrections, and the bill is not controversial. I urge my colleagues to support this measure.

Mr. Speaker, I yield back the balance of my time.

Mr. HANSEN. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Utah (Mr. HANSEN) that the House suspend the rules and concur in the Senate amendments to H.R. 34.

The question was taken.

Mr. FALEOMAVAEGA. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8, rule XX and the Chair's prior announcement, further proceedings on this motion will be postponed.

The point of no quorum is considered withdrawn.
