

introduced another new policy directed at the need for reform in an effort to recognize that all sectors of education are vitally linked and that improvement in one sector requires a reciprocal effort in all other sectors. Dr. Portch implemented a new admissions policy, raising the bar for admissions in all 34 public institutions in Georgia. The work of Chancellor Portch has helped elevate the average SAT score in Georgia public institutions, increase member school salaries by over 35 percent, and has raised overall quality of education throughout the state.

Henry Brooks Adams once said, "A teacher affects eternity; he can never tell where his influence stops." Although Dr. Portch is stepping down as Chancellor of the University System, I assure you that we will continue to feel his presence and benefit from his service well into the future.●

MR. GEORGE C. SPRINGER: PRESIDENT, CONNECTICUT STATE FEDERATION OF TEACHERS

● Mr. LIEBERMAN. Mr. President, I rise today with great pride to honor my friend and a friend of working families, Mr. George C. Springer, who is retiring as president of the Connecticut State Federation of Teachers. For more than 20 years, George fought valiantly to ensure that our educators had the tools and resources necessary to provide the best possible education to our most prized possession, our children.

Widely known for his leadership, George united teachers and administrators in seeking ways to improve our schools. His innovative style led to compromise and understanding and opened a dialogue that generated ideas aimed at helping our children. During his tenure, Connecticut's public schools have attained a reputation of excellence that continues today.

George's calm, well thought out ways of handling the issues facing our teachers and schools is testament of his visionary leadership style. Further, his abilities in bringing people together to work for an important goal serve as a model for labor union leadership across our nation.

On behalf of the people of Connecticut, I thank George for his leadership in making Connecticut's schools better places to teach and learn and for making our community a better place for everyone.●

RECOGNITION OF THE DISTINGUISHED CAREER OF JOHN C. TITCHNER

● Mr. JEFFORDS. Mr. President, I rise today on behalf of myself and Senator LEAHY to honor John C. Titchner, Vermont's State Resource Conservationist, who is retiring after thirty-six years with the United States Department of Agriculture.

John Titchner's career is among the most distinguished in the history of

the Soil Conservation Service and the Natural Resource Conservation Service, NRCS. He began his work with the USDA in 1965, and has served as Vermont State Conservationist since 1981. At the time of his retirement, he was the longest serving among all active State Conservationists.

John has guided the Natural Resource Conservation Service in Vermont through many changes in agricultural policy and administration. Under his direction, the NRCS has handled an ever increasing number of programs and special projects to support farmers and conserve our natural resources. The lakes and streams of Vermont are clearer and cleaner today as a result of his work.

For many years, Senator LEAHY and I have each looked to John as an advisor on agriculture and conservation. In this role, he has had a significant impact on national agricultural policy.

John has assumed many leadership roles in his profession and in his community. These include serving as a member of the Lake Champlain Steering Committee, Chairman of the Vermont Food and Agricultural Council, and President of the Vermont Federal Executives Association.

John C. Titchner's career stands as an outstanding example for all who choose to serve their community and their country.●
