Vol. 147

WASHINGTON, THURSDAY, JUNE 21, 2001

No. 87

## Senate

The Senate met at 9:15 a.m. and was called to order by the Honorable HARRY REID, a Senator from the State of Nevada.

The PRESIDING OFFICER. Today's prayer will be offered by the guest Chaplain, the Reverend Dr. Priscilla Felisky Whitehead of The Church by the Sea, Bal Harbour, FL.

### PRAYER

The guest Chaplain offered the following prayer:

Let us pray.

Good and giving God, we come humbly before You on this new day, first with gratitude: for the gift of life itself, and the gift of another day; for the gift of this great country which strives to become all it can be—a beacon of freedom, hope, compassion, peace, and justice for all; for the gift and privilege of Your call to faithful service in this place, and the opportunities to make a lasting difference.

And then we come before You with humility as we prepare for the tasks before us today, for we know we need wisdom and strength and vision from beyond ourselves.

Give us courage to set aside purely personal or partisan political agendas in favor of what is truly the common good; give us ears attuned to the voices of those who fear they have no voice, whose faith in our country, and us, is a reminder of our sacred obligations; and especially give us open hearts, ever attentive to Your presence and still small voice calling us to do what is right and worthy of people who have already been given so much.

Hear our prayer as gratefully and humbly we offer this day, and ourselves, to You for Your guidance and blessing. Amen.

### PLEDGE OF ALLEGIANCE

The Honorable HARRY REID led the Pledge of Allegiance, as follows:

I pledge allegiance to the Flag of the United States of America, and to the Repub-

lic for which it stands, one nation under God, indivisible, with liberty and justice for all.

Mr. KENNEDY. Madam President, as I understand, the time between 9:20 and 9:30 is evenly divided.

The PRESIDING OFFICER. The Senator is correct. That is the order.

Mr. KENNEDY. I yield myself 5 minutes.

Madam President, this is a very important day in the lives of families across this country. Today we are addressing one of the principal concerns of families from Maine to Florida, from the State of Washington to California, and the heart of the Nation. That is, are we going to make sure that medical decisions, decisions being made by doctors, nurses, and families, are going to be the final decisions in terms of treatment and care for those particular patients? That is what the issue is all about.

As all of us have seen, we have countless examples where those decisions are
