IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 2230) making appropriations for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies programs for the fiscal year ending September 30, 2002, and for other purposes, with Mr. GOODLATTE in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. Pursuant to the rule, the bill is considered as having been read the first time.

Under the rule, the gentleman from Texas (Mr. BONILLA) and the gentlewoman from Ohio (Ms. KAPTUR) each will control 30 minutes.

The Chair recognizes the gentleman from Texas (Mr. BONILLA).

Mr. BONILLA. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, we are delighted today to be presenting the Agricultural Appropriations bill for fiscal year 2002. I want to acknowledge the good work of the gentlewoman from Ohio (Ms. KAPTUR), my ranking member, who has contributed to this process over the last few weeks.

It has been a pleasure working with her and all the members of the Subcommittee on Agriculture, Rural Development, Food and Drug Administration and Related Agencies on both sides of the aisle.

I believe we have produced a good bipartisan bill that deals with a lot of the specific issues that Members are concerned about in their districts around the country, ranging from research projects to inspection issues, to FDA issues, to just any possible issue that has come up. There have been 2500-plus requests from individual Members, and we have done our best to accommodate that.

Mr. Chairman, I am just delighted that we have seen good, strong bipartisan support for the effort we have undertaken in putting this bill together.

Mr. Chairman, I am pleased to bring before the House today the fiscal year 2002 appropriations bill for Agriculture, Rural Development, the Food and Drug Administration and Related Agencies.

My goal this year has been to produce a bipartisan bill, and I believe we have done a good job in reaching that goal.

The subcommittee began work on this bill in early March, before the administration produced its budget. We had 6 public hearings

There was no objection.
