

HONORING VIRGINIA ANDREW

**HON. SCOTT MCINNIS**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, August 2, 2001*

Mr. MCINNIS. Mr. Speaker, I would like to take a moment to remember the life of Virginia Andrew from Steamboat Springs, Colorado, who passed away on Wednesday, July 25. At the age of 86, many will miss her as we all mourn her passing.

Virginia was a columnist for the Steamboat Pilot, the local paper in Steamboat Springs. She was employed there for more than 50 years. While her original column "Sidney News" was named after an area that no longer exists in the Yampa Valley, her memory will live on in the hearts and minds of the people that she touched. Throughout her career, Virginia covered a wide range of topics ranging from rural news to daily events. She even had issues pertaining to agriculture and politics.

Beyond the life of a journalist, she also operated a Farmers Union Insurance Office for 20 years starting in 1945. She also was a founding partner in the Unique Shop—a cooperative that provided second-hand goods and other items to the elderly population. Amidst all of her activities, the town was always able to recognize her when she drove by in her large blue Oldsmobile sedan.

Mr. Speaker, Virginia Andrews was a person who lived an accomplished life. She always cared for people and wanted only the best for them. I would like to extend my deepest sympathy and warmest regards to her family at this time of remembrance. My thoughts and prayers are with them.

**KNIGHTS OF COLUMBUS DAMIEN  
COUNCIL CELEBRATES 100TH AN-  
NIVERSARY**

**HON. PAUL E. KANJORSKI**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, August 2, 2001*

Mr. KANJORSKI. Mr. Speaker, I rise today to call the attention of the House of Representatives to the good works of the Knights of Columbus Damien Council No. 598 in Carbon County, Pennsylvania. On Aug. 18, 2001, the members will celebrate the 100th anniversary of the council's founding.

The council is one of the oldest in the Knights of Columbus, being the 598th founded out of the nearly 13,000 in existence today. Under the direction of Father James C. McConnon, a group of 47 men from the small town of Mauch Chunk, now known as Jim Thorpe, chose the name of their council to honor Father Damien de Veuster. Now designated as Blessed Damien following his 1995 beatification by Pope John Paul II, Father de Veuster is remembered for his selfless and courageous efforts to care for the nearly 1,000 lepers abandoned on Molokai Island in Hawaii. Father de Veuster himself died of leprosy in 1889.

Since its founding, Damien Council has served Mauch Chunk, later known as Jim

Thorpe, Leighton, Nesquehoning and the surrounding communities. Among its many accomplishments, the council arranged to televise Advent and Lenten Masses for shut-ins on Blue Ridge Cable TV-13 in the 1970s and 1980s, well before the Catholic cable channel EWTN became available nationwide. The council also broadcast the recitation of the Rosary on WYNS Radio and the Stations of the Cross on WLSH Radio. Damien Council has also provided food baskets for families in need and has honored 39 priests from the area on the occasion of their ordination into the priesthood.

Damien Council continues to aid the church, local communities, families and young people through its various programs. Annual activities include celebrating a Memorial Mass for its deceased members, sponsoring Family Hour of Prayer services, participating in the "Adopt-A-Seminarian" program, jointly sponsoring the Pro-Life Essay Contest with the other councils in the Diocese of Allentown and coordinating the program for Carbon County, promoting the "Keep Christ in Christmas" program, sponsoring the Knights of Columbus Free Throw Championship and hosting the District 29 competition, raising funds for ARC, honoring the members' spouses with Ladies' Appreciation "Knight," celebrating the family by naming a "Family of the Month" and "Family of the Year" and presenting awards and altar server certificates to graduating eighth-grade students.

Damien Council has seen two of its members rise to statewide leadership over the years. Both Thomas P. (Patsy) Milan and William F. (Bill) Carroll served as state treasurers. Damien Council is currently led by Grand Knight Michael A. Heery.

Mr. Speaker, I am pleased to call to the attention of the House of Representatives the good works of the Knights of Columbus Damien Council No. 598 on the occasion of their 100th anniversary, and I wish them all the best.

**PRESCRIPTION DRUG  
AFFORDABILITY ACT**

**HON. RON PAUL**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, August 2, 2001*

Mr. PAUL. Mr. Speaker, I rise to introduce the Prescription Drug Affordability Act. This legislation ensures that millions of Americans, including seniors, have access to affordable pharmaceutical products. My bill makes pharmaceuticals more affordable to seniors by reducing their taxes. It also removes needless government barriers to importing pharmaceuticals and it protects Internet pharmacies, which are making affordable prescription drugs available to millions of Americans, from being strangled by federal regulation.

The first provision of my legislation provides seniors a tax credit equal to 80 percent of their prescription drug costs. As many of my colleagues have pointed out, our nation's seniors are struggling to afford the prescription drugs they need in order to maintain an active and healthy lifestyle. Yet, the federal government continues to impose taxes on Social Se-

curity benefits. Meanwhile, Congress continually raids the Social Security trust fund to finance unconstitutional programs! It is long past time for Congress to choose between helping seniors afford medicine or using the Social Security trust fund as a slush fund for big government and pork-barrel spending.

Mr. Speaker, I do wish to clarify that this tax credit is intended to supplement the efforts to reform and strengthen the Medicare system to ensure seniors have the ability to use Medicare funds to purchase prescription drugs. I am a strong supporter of strengthening the Medicare system to allow for more choice and consumer control, including structural reforms that will allow seniors to use Medicare funds to cover the costs of prescription drugs.

In addition to making prescription medications more affordable for seniors, my bill lowers the price for prescription medicines by reducing barriers to the importation of FDA-approved pharmaceuticals. Under my bill, anyone wishing to import a drug simply submits an application to the FDA, which then must approve the drug unless the FDA finds the drug is either not approved for use in the US or is adulterated or misbranded. This process will make safe and affordable imported medicines affordable to millions of Americans. Mr. Speaker, letting the free market work is the best means of lowering the cost of prescription drugs.

I need not remind my colleagues that many senior citizens and other Americans impacted by the high costs of prescription medicine have demanded Congress reduce the barriers which prevent American consumers from purchasing imported pharmaceuticals. Just a few weeks ago, Congress responded to these demands by overwhelmingly passing legislation liberalizing the rules governing the importation of pharmaceuticals. While this provision took a good first step toward allowing free trade in pharmaceuticals, and I hope it remains in the final bill, the American people will not be satisfied until all unnecessary regulations on importing pharmaceuticals are removed.

The Prescription Drug Affordability Act also protects consumers' access to affordable prescription drugs by forbidding the federal government from regulating any Internet sales of FDA-approved pharmaceuticals by state-licensed pharmacists. As I am sure my colleagues are aware, the Internet makes pharmaceuticals and other products more affordable and accessible for millions of Americans. One gentleman in my district has used the Internet to lower his prescription drugs costs from \$700 to \$100 a month!

However, the federal government has threatened to destroy this option by imposing unnecessary and unconstitutional regulations on web sites which sell pharmaceuticals. Any federal regulations would inevitably drive up prices of pharmaceuticals, thus depriving many consumers of access to affordable prescription medications.

In conclusion, Mr. Speaker, I urge my colleagues to make pharmaceuticals more affordable and accessible by lowering taxes on senior citizens, removing barriers to the importation of pharmaceuticals and protecting legitimate Internet pharmacies from needless regulation by cosponsoring the Prescription Drug Affordability Act.
