PAYING TRIBUTE TO MICHAEL REYELTS

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, September 21, 2001

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity and pay tribute to Michael Reyelts for his significant contributions to our educational system. Mr. Reyelts teaches English as a second language to students at the Colorado Mountain College in Rifle, Colorado. Through his lessons, he not only teaches English, but he also educates students on how to adapt to American society. He has been a positive influence on many members of our community.

Mr. Reyelts studied Spanish while attending high school and mastered the language while on a two-year church mission to Argentina, where he worked both in cities and in remote areas. Upon returning from Argentina, he attended Brigham Young University where he studied secondary education and English as a second language. In 1999, Michael received his masters in education with an emphasis in English as a second language.

Dozens of students attend his classes three nights a week. Michael has adopted a style of teaching that has proven to be very successful. He creates a comfortable atmosphere within the classroom by joking around with his students and making them feel at ease in what can be a stressful situation. His instruction certainly contains grammar lessons but Michael also tries to stress a practical understanding of the English language that his students will hear in every day life. Michael Reyelts does not stop simply at teaching the English language. He also relates current events to his students as a means of providing examples for understanding the English language.

Mr. Speaker, Michael Reyelts truly cares about his students and provides them with the valuable skills that increase their confidence and provide them more opportunities to reach their goals. I would like to thank him for his commitment to such an important cause and congratulate him on his achievements.

RECOGNITION OF DORA
MENCHACA-DORSEY'S DEATH

HON. HILDA L. SOLIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 21, 2001

Ms. SOLIS. Mr. Speaker, I join Congressman HENRY WAXMAN to acknowledge the death of Dora Menchaca-Dorsey. Her death has brought great sorrow to family members in both of our districts.

Dora Menchaca-Dorsey, was an unfortunate victim of American Airlines Flight 77 which crashed into the Pentagon on September 11, 2001. Had Ms. Menchaca-Dorsey taken the later flight on which she was scheduled, she would have returned safely home to her husband, Earle Dorsey and 5-year-old son. Her daughter, Imani, was away at college in Oregon. Due to the airport shutdowns at the time, Imani Dorsey, drove from Portland to Los Angeles to be with her family. Ms. Menchaca-Dorsey also leaves behind a brother in San Gabriel.

Sadly, Dora Menchaca-Dorsey's life was cut short while she was working to save the lives of others. Ms. Menchaca-Dorsey was in Washington, DC attending a briefing with the Food and Drug Administration on medical developments for patients with prostate cancer. She was a dedicated scientist who worked tirelessly to find a cure for some of today's deadliest diseases. Ironically, amidst such death, her co-workers remember her laughter and energy. She could also be maternal towards others, urging them to get regular health-care check-ups. Her husband, Earle Dorsey says he owns his life to his wife. Because of her insistence, his prostate cancer was diagnosed at an early stage.

She also gave back to the community. Proud of her Mexican-American heritage, Dora Menchaca-Dorsey often visited schools to encourage students, especially minorities and girls, to pursue careers in the sciences. That is how we should all remember her.

Menchaca-Dorsey was an energetic and dedicated individual who believed in and lived to find a cure for the diseases plaguing society. She was also a giving and loving wife and mother to her two children. Let us celebrate her memory by remembering what was contributed, not what was lost. Her contribution to the scientific world, to society, and to her family will not be soon forgotten.

Later, in 1979, he served a term as president of the Community Bankers Association of Georgia. After serving more than 15 years with Farmers and Merchants Bank, he became president of Habersham Bank in Clarksville, Georgia, where he served for nearly 12 years.

During the early 1980's Julian worked for a large Southeastern correspondent bank, and recognized the need for a correspondent bank in Georgia. Currently, the Association has more than 200 associate members and 330 community bank members statewide.

In addition to his incredible dedication and commitment to community banking, Julian was also very active in several business and civic organizations, and served in many leadership positions. IN THE HOUSE OF REPRESENTATIVES

Friday, September 21, 2001

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to recognize Deanna Strand for her success and accomplishments in the field of aviation. Deanna owns the Strand Flying School in Grand Junction, Colorado. She started the school in 1983 and over the course of eighteen dedicated years, has produced a business with a great national reputation.

Flying has played a large role in her family. Deanna's parents owned an aviation business in Montana and she had received her private pilot's license before she graduated from high school. Several years later she received her flight instructor rating and opened the Strand Flying School with one leased airplane and no employees. Over the years, she has been developing her credentials, expanding the capabilities of her school and, in turn, her reputation. In addition to being a flight instructor and business owner, she is also a Federal Aviation Administration Flight Examiner and a Flight Instructor Examiner. Deanna is one of only two people in Western Colorado who determines whether an applicant can receive their next li-

cense or rating, including an instructor's license. This year she was named FAA Flight Instructor of the Year in the Northwest Mountain Region as well as the Salt Lake City District. Her list of accomplishments also includes over 8,000 logged hours in the air. Deanna has recently taken on a new challenge. In cooperation with Colorado Northwestern Community College and Mesa State College, she will be providing a program that will award students an aviation degree.

Deanna Strand and the Strand Flying School have come a long way in the last eighteen years. She now owns seven planes and employs a fully staffed office and nine instructors. Deanna Strand has turned her favorite pastime into a successful business and an accomplished career. I would like to recognize her accomplishments in the field of aviation and thank her for the wonderful service that she is providing her community.
