

Under funding for the General Government, some of the earmarks include: \$1,000,000 for the Native American Digital Telehealth Project and the Upper Great Plains Native American Telehealth Program at the University of North Dakota; \$3,000,000 to help purchase land and facilitate the moving of the Odd Fellows Hall to provide for construction of a new courthouse in Salt Lake City, Utah; and \$1,700,000 for a grant to the Oklahoma Centennial Commission.

There are more projects on the list that I have compiled, which will be available on my Senate Website.

In closing, I urge my colleagues to curb our habit of directing hard-earned taxpayer dollars to locality-specific special interests.

TANF SUPPLEMENTAL GRANTS

Mr. DASCHLE. Mr. President, I would like to enter into a colloquy at this time.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. DASCHLE. I thank the Chair.

Mrs. HUTCHISON. I thank the Chair, and I thank the distinguished majority leader.

Mr. President, I seek recognition to ask the majority leader to commit to working with me on an issue that is very important to many States, and it is important to the high-growth States that also have very tough problems in meeting their welfare needs, States such as Texas, Alabama, Alaska, Arizona, Colorado, Florida, and Georgia.

Many States in the welfare bill were trying to gear up to change their welfare programs. As you know, the welfare reform bill was a 5-year bill, but the temporary assistance for the supplemental grants for high-growth States was only authorized for 4 years.

The Finance Committee yesterday marked up and passed out the 1-year extension that would match the welfare bill to help these States.

The budget resolution that we passed accommodated the cost of this added 1-year authorization. I am bringing it up

because I wanted to offer it as an amendment on the Labor-HHS appropriations bill, but it was considered legislation. The Finance Committee has acted, and in one of those process things, I just wanted to make sure that we did not get lost in the shuffle because my State is certainly counting on it, and Florida is counting on it.

It will make a huge budget deficit for many of these States if we do not authorize and appropriate this last year of the supplemental request for the welfare reform bill.

My purpose in bringing this up is to say I will not offer my amendment on the Labor-HHS bill, but I did want to get the commitment from the majority leader that we will work to fix this technical error before we go out of session so that the States that have already budgeted, thinking this money was coming, will have the benefit of this expenditure.

The PRESIDING OFFICER. The majority leader.

Mr. DASCHLE. Mr. President, I appreciate the concern and the cooperation of the Senator from Texas. She has been a very strong advocate for her State in this regard. I completely appreciate the situation in which she finds herself in this effort.

TANF supplemental payments need to be extended for 1 more year. There shouldn't be any question about that.

The Graham bill to extend these payments, as she noted, was marked up in the Finance Committee today. I understand there is a bipartisan commitment to move that bill through the Senate and have it enacted into law. I assure her I will do everything I can to accommodate that bill and to see that we are successful in getting it done before the end of this session of Congress.

Mrs. HUTCHISON. Mr. President, I very much appreciate the majority leader coming to the floor to give this assurance because as we are dividing the money in the last appropriations bills—I know the majority leader has some priorities—I want to make sure this is also a priority. It affects so many States that have been impacted by the large number of needy families because they are higher growth than the original welfare formula was able to accommodate.

I do thank the majority leader. I look forward to working with him in every way I can. I am glad he mentioned the Senator from Florida, Mr. GRAHAM, who sponsored the bill in the Finance Committee. It is very important to our two States that we accomplish this before the end of the year. I certainly know, with the majority leader's support, we will be able to do that.

I thank the Chair. I yield the floor.

Mr. DASCHLE. Mr. President, I thank the Senator from Texas again for her cooperation and look forward to working with her in the weeks ahead.

I yield the floor.

Mr. GRAHAM. Mr. President, I am proud to be here with my partner, Senator HUTCHISON and the Senate major-

ity leader to join in this important discussion. Just a few hours ago, the Finance Committee reported out the TANF Supplemental Grants Act of 2001. This bill is critical to the ability of 17 States to help their most vulnerable citizens move from welfare to work.

If this bill is not passed into law, several states will be forced to scale back their welfare reform efforts, which have shifted in recent years to include support services for low-income working families and efforts to address the multiple barriers to employment that face a substantial share of the families that remain on welfare. In these difficult economic times, States will require all available resources to provide cash assistance and work support services to low income families who have been displaced from their jobs. Our bill will give these States the tools necessary to do just that.

I thank Senator HUTCHISON for her leadership on this issue, Senators BAUCUS and GRASSLEY for making a commitment to the passage of this bill by reporting it out of committee today, and Senator DASCHLE for his dedication to ensuring the bill's passage into law this year.

ENERGY AND WATER DEVELOPMENT APPROPRIATIONS ACT, 2002—CONFERENCE REPORT

The PRESIDING OFFICER. Under the previous order, the conference report will be stated.

The legislative clerk read as follows:

The Committee of Conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 2311) making appropriations for energy and water development for fiscal year ending September 30, 2002, and for other purposes, having met, after full and free conference, have agreed to recommend and do recommend to their respective Houses this report, signed by a majority of conferees.

The PRESIDING OFFICER. The Senate will proceed to the consideration of the conference report.

(The conference report is printed in the House proceedings of the RECORD of October 30, 2001.)

The PRESIDING OFFICER. Who yields time?

Mr. REID. Mr. President, what is the matter now before the Senate?

The PRESIDING OFFICER. The conference report to accompany H.R. 2311.

Mr. REID. Mr. President, I am entitled 10 minutes under the unanimous consent agreement, as is the Senator from New Mexico, Mr. DOMENICI, the two managers of this appropriations conference report. I am not going to take that time.

When the bill came before the Senate, it passed overwhelmingly. I believe it was 92-2. Two people voted against it. By the time we got to conference, there were two or three open items. We settled those in one evening.

It is a good bill. As with all pieces of legislation, it is probably imperfect, but it is the best we can do.
