IN THE HOUSE OF REPRESENTATIVES
Wednesday, March 20, 2002

Mr. Hoeffel. Mr. Speaker, I rise to commemorate the 90th Anniversary of Girl Scouts of the U.S.A. This valuable organization has been empowering young women to develop leadership skills, along with a sense of determination, self-reliance and teamwork since 1912.

Today, the Girl Scouts of the U.S.A. have over 3.8 million members throughout the United States. In my district alone, 10,000 girls are able to acquire the self-confidence and expertise that is needed to distinguish themselves as leaders in their communities.

I commend the Girl Scouts of Southeastern Pennsylvania and the Girl Scouts of Freedom Valley for their outstanding accomplishments in the areas of leadership, community service and personal development. Both of these chapters offer young women in Montgomery County, Pennsylvania the opportunity to develop life skills that will enable them to become confident and caring adults.

For 90 years, the Girl Scouts of the U.S.A. have had a positive impact on the lives of countless young women nationwide. It is my hope that the Girl Scouts of the U.S.A. continue these strong traditions for the next 90 years and beyond.
