Mr. Speaker, the legislation before the House, H.J. Res. 1, will extend the current continuing resolution to allow the government to continue to operate through January 31 of 2003. All of the ongoing programs and activities will be continued at current rates under the same terms and conditions as fiscal year 2002, with the exception of funding for programs included in the Defense and Military Construction appropria-tions bills for fiscal year 2003, which have already been enacted into law.
