

currently serving more than 3,000 children, began the "Success by Six" Program, which teaches young children how to lead good lives by the time they're six, as well as the "Gift of Life" Program, helping mothers and their children in need of help.

In addition, to the great many programs he established, Mr. Chandler served in several significant and distinguished roles throughout his career. Beginning in 1953, he became General Director of the Montgomery YMCA, which he served in until May, 2002. In the 1960s, he served as the Chairman of the Helen Keller Memorial Project of the Montgomery Lions Club and then became their chapter president 1965. He also held a large leadership role in the YMCA Youth Conference on National Affairs, and became Lions Club International President in 1980, during which he visited 42 countries meeting with many dignitaries, including Pope John Paul II.

For his great work, Bill has been awarded many honors, including 18 International President's Awards, the Melvin Jones Extension Award, the Key Member Award and the District Governor's Extension Award. He is a Melvin Jones Fellow, and a recipient of the Ambassador of Goodwill Award, the highest honor a Lion can receive from the association. He is also the recipient of three very prestigious awards, including the Montgomery Advertiser's "Citizen of the Year" award, the Alabama Journal's "Citizen of the Year" award in 1991, and he was named Montgomery's "Man of the Year" in 2001.

Mr. Chandler's many good deeds can never be counted because his charitable pursuits were countless and often done anonymously. He is an example of a great statesman and leader. He has helped so many people, particularly those in need, and has served as a great role model for the young lives he has so generously helped.

I am very proud of his great work. I have seen him lead for good in a host of areas. For a time, I served on his YMCA board. It was easy to see the love and respect those outstanding city leaders had for Bill. It was a respect fairly earned and came as a product of a long and productive life of able service to those less fortunate. I have had the great opportunity in my life of over one half a century to meet and know many great and selfless Americans. As the leader the YMCA and of Alabama's Lions Club, of which I am one, I have seen his unsurpassed, and remarkable leadership for good. I know Bill will continue to help those around him, even in retirement. I applaud his tireless efforts on behalf of all Alabamians and would like to take this opportunity to thank him for all that he has contributed to Montgomery, the State of Alabama, and our Nation.

I ask my colleagues to join me today in recognizing Mr. William Chandler for his outstanding achievements and wish him well in his retirement. ●
