

California (Mr. POMBO) and the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) each will control 20 minutes.

The Chair recognizes the gentleman from California (Mr. POMBO).

Mr. POMBO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 519, introduced by the gentlewoman from California (Ms. SOLIS), would authorize the Secretary of the Interior to conduct a special resource study of the San Gabriel River Watershed in the State of California.

While I will defer to the minority and the bill's sponsor to explain the merits of the legislation, I would express that we greatly appreciate the efforts of the bill's sponsors and the minority to address some early concerns about this bill. These concerns were addressed during the last Congress, and the bill successfully passed the body as part of a larger package, although it ultimately did not become law. This bill now enjoys the broad support of both the majority and the minority, and I urge my colleagues to support it.

Mr. Speaker, I reserve the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I yield myself such time as I may consume.

(Mrs. CHRISTENSEN asked and was given permission to revise and extend her remarks.)

Mrs. CHRISTENSEN. Mr. Speaker, H.R. 519, sponsored by the gentlewoman from California (Ms. SOLIS), authorizes the Secretary of the Interior to study the feasibility and suitability of establishing a unit of the National Park System which would include parts of the San Gabriel River, as well as a portion of the San Gabriel Mountains. The study would include parts of Los Angeles County, as well as a part of the City of Los Angeles itself.

During the hearings on this measure held during the previous Congress, the gentlewoman from California (Ms. SOLIS) provided testimony and photographs demonstrating that, although this proposed study area is in the midst of a very urban area, some green space has been preserved and might be appropriate for a park unit.

Clearly, such an urban setting raises conservation and management challenges, and we look forward to the results of this study regarding these issues. I want to take this opportunity to congratulate the gentlewoman from California (Ms. SOLIS) on her legislation and her diligence in moving her bill through the legislative process. She has been extremely patient while working very hard to move the bill forward. I urge Members to approve H.R. 519.

Mr. Speaker, I yield such time as she may consume to the gentlewoman from California (Ms. SOLIS).

Ms. SOLIS. Mr. Speaker, I thank the gentlewoman for working with us. I also thank the ranking member, the gentleman from West Virginia (Mr. RAHALL), and the gentleman from Cali-

fornia (Chairman Pombo) and the gentleman from California (Mr. RADANOVICH). When we were discussing the bill last year, we went through different versions of the bill. We did try to accommodate the concerns of all Members who were involved in this effort.

I truly think this is a hallmark because it is a bipartisan bill that was working its way through last year, but unfortunately met some barriers on the Senate side. I know this is something that many people in urban areas are looking for as a model. We hear from Members on both sides of the aisle talking about providing open space in urban areas.

This will hopefully provide some type of relief for over 2 million people that reside along the San Gabriel River. I grew up there as a child and spent many Saturday afternoons and vacations in this area. Something that we like to talk about is the fact that so many people in that area come from largely low-income, underrepresented areas, and do not have the ability or economic means to go to Sequoia, to go to Yosemite, to even go to the beach. Some people in my district have never had the luxury of going to the beach. Their recreation occurs in their particular geographic area.

The San Gabriel Mountains are only 20 minutes away from a lot of the residents that I represent. The gentleman from California (Mr. DREIER) and I have worked on this issue. Many of his constituents feel very strongly about the need to provide open space for all communities. This is a step in the right direction. The Department of the Interior will conduct a study, and hopefully they will come up with some good planning so we can move forward. I thank all of the Members for working with me.

Mrs. CHRISTENSEN. Mr. Speaker, I yield back the balance of my time.

Mr. POMBO. Mr. Speaker, I yield 1 minute to the gentleman from Texas (Mr. CARTER).

(Mr. CARTER asked and was given permission to speak out of order and to revise and extend his remarks.)

#### GIVE THE AMERICAN PEOPLE FAIR TAXES

Mr. CARTER. Mr. Speaker, over the course of our Presidents' Day work period, I held nine town hall meetings and listened to over 800 of my constituents express their opinions about issues important to them. Time and again they mentioned fair taxes. The American people want an economy that is sound and that can offer them jobs. We can give the people what they want by passing the President's growth plan.

The double taxation of dividends is not only unfair, it is obscene. Every year, nearly 2 million Texans and 35 million Americans are being cheated by their own government. By simply eliminating the second tax, investments will increase, resulting in 2.1 million jobs being created within the next 3 years and could potentially boost the national wealth by nearly \$1 trillion.

Instead of giving the American people a \$300 payoff, let us give them a real plan, a plan that will result in jobs, a steady economy, and dollars back in the hands of the taxpayers. For those who say we cannot afford the President's growth plan, I say we cannot afford to not pass his plan.

Mr. POMBO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I would like to congratulate my California colleague for all of the hard work the gentlewoman put into this legislation over the past couple of years, thank her again for working with the majority and the minority in order to work this bill out. I think it is a good piece of legislation that deserves the support of the House, and I urge an "aye" vote.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. POMBO) that the House suspend the rules and pass the bill, H.R. 519.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

#### GENERAL LEAVE

Mr. POMBO. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material in the RECORD on H.R. 417, H.R. 699 and H.R. 519, the three bills just considered.

The SPEAKER pro tempore (Mr. CULBERSON). Is there objection to the request of the gentleman from California?

There was no objection.

Mr. THOMAS.
