## IN RECOGNITION OF THE SAMUEL J. TILDEN DEMOCRATIC CLUB ON THEIR 50TH ANNIVERSARY

### HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, May 19, 2003*

Mrs. MALONEY. Mr. Speaker, I rise to pay tribute to the Samuel J. Tilden Democratic Club on the occasion of its 50th anniversary. In the past half-century, the organization has consistently led its community in discussing, addressing, and resolving important political issues.

Since 1953, when a group of Democrats became fed up with Tammany Hall and turned to the notion of an open political forum for inspiration, Tilden has prided itself on its diverse membership and progressive views. Tilden members represent a cross-section of the constituency, and the diversity of opinion makes the club a driving force and leader of the community. Tilden embraces the philosophical principles of Eleanor Roosevelt and Herbert Lehman and has led the efforts to address and resolve community issues for over five decades. Tilden's contributions to the community include improvements in healthcare, housing, education, social services, senior citizen needs, crime prevention, transportation and landmark designation.

The local reform Democratic club of the 74th Assembly District, the Tilden club is named after Samuel J. Tilden, Governor of New York from 1875–1876. During his ten years as state party chairman from 1865–1875, Mr. Tilden made history by successfully leading the overthrow of the Tammany Hall Boss Tweed. As the Democratic Party's candidate for President of the United States in 1876, he became the first candidate to win the popular vote but lose the Electoral College vote, and the election. Mr. Tilden's legacy of community activism and reform is reflected in the Tilden club.

Tilden serves its community and its members by facilitating open communication between constituents and their representatives in government. Tilden hosts forums where constituents meet and are able to speak with their elected officials and political candidates. As a result, the residents of the district are given an opportunity to directly voice their concerns about their state and government to those who serve it.

In addition to these activities, Tilden spearheads community service projects including annual street fairs, the proceeds of which are donated to community groups, hospitals, hospices, senior support groups, charities and social service organizations. Their annual "Toys for Tots" drive provides needy children with toys throughout New York City. Further, Tilden hosts an annual celebration honoring community and political heroes, recognizing those men and women whose efforts have made a difference in the community. Through all its efforts, Tilden focuses on improving the quality of life in our community, just as Governor Tilden worked to accomplish over a century ago.

The dedication and enthusiasm of the many members and friends of Tilden have made it an extraordinary and invaluable community organization. Over the last 50 years, Tilden has helped shape the development of the community, advocating for and preserving the quality of life for residents and families of the east side of Manhattan.

In recognition of these outstanding contributions, I ask my colleagues to join me in honoring the Samuel J. Tilden Democratic Club on the occasion of their 50th Anniversary.

Ms. LEE. Mr. Speaker, I rise today to honor Reverend Doctor Frank Pinkard, Jr. and the marvelous First Lady Mrs. Kathi Martin-Pinkard of Evergreen Missionary Baptist Church for their lifetime of ministry and community service. CONGRATULATIONS MONSIGNOR  
WILLIAM LINDER

**HON. MARCY KAPTUR**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Monday, May 19, 2003*

Ms. KAPTUR. Mr. Speaker, it is with the greatest pleasure that I recognize the awarding of an honorary Doctorate degree to Monsignor William L. Linder by John Carroll University. Msgr. William Linder had the vision thirty-five years ago to give new life and hope to people who lived in Newark, New Jersey, then one of America's lowest income communities, with the establishment of New Community Corporation. Indeed, the city had experienced urban riots and destruction related to the awakening of modern civil rights in America.

A Roman Catholic priest for nearly forty years, Msgr. Linder has spent his ministry in Newark, New Jersey, still one of the poorest cities in the country. For 28 years, he has been the pastor of St. Rose of Lima Catholic Church, a somewhat unique congregation comprised of people from thirty different national backgrounds. A Doctor of Sociology, Msgr. Linder is an adjunct professor at Columbia University's School of International and Public Affairs. He has received dozens of national and community awards honoring his pathbreaking work to build a new city out of the old.

When rioting in 1967 devastated much of Newark's Central Ward, Msgr. Linder founded New Community. Working with a coalition of local residents and others, Msgr. Linder grew New Community into a development encompassing fourteen city blocks in the heart of the Central Ward. New Community is a thriving venture of people in safe, attractive, affordable housing with an intricate network of employment, day care, education, training, health care, credit unions, banking and human services focused on economic development which benefits its people. New Community employs 2,300 people in sixteen separately funded efforts. Its capital assets now exceed over \$375 million.

New Community offers people from childhood through old age myriad opportunities for
