

very clear when it guarantees a right to life. Partial-birth abortion has no place in a civilized society.

Mr. LARSON of Connecticut. Mr. Speaker, I regret that due to a family medical emergency, I am unable to be present for the debate and vote on H. Res. 257, the rule providing for consideration of the bill H.R. 760. However, I wish to submit this statement for the RECORD to ensure that my position on this legislation is clear.

While I am opposed to H.R. 760, I am encouraged that the Rules Committee has finally allowed a substitute amendment to this bill. For the fifth time in nine years, this bill has been brought to the floor of the House for a vote. But, for the first time, a compromise substitute amendment is being allowed. I support the substitute amendment offered by Representatives GREENWOOD and HOYER and therefore, if I had been present, would have voted in favor of H. Res. 257 to allow this compromise to be brought to the floor.

Mrs. MYRICK. Mr. Speaker, I yield back the balance of my time, and I move the previous question on the resolution.

The previous question was ordered.

The SPEAKER pro tempore (Mr. SIMPSON). The question is on the resolution.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Ms. SLAUGHTER. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

Following this vote, proceedings will resume on 3 motions to suspend the rules considered earlier today and those votes will be conducted as 5-minute votes.

The vote was taken by electronic device, and there were—yeas 280, nays 138, not voting 15, as follows:
