HOUSE OF REPRESENTATIVES,  
COMMITTEE ON ENERGY AND COMMERCE,  
*Washington, DC, June 6, 2003.*

Hon. DON YOUNG,  
*Chairman, Committee on Transportation and Infrastructure, House of Representatives, Rayburn House Office Building, Washington, DC.*

DEAR CHAIRMAN YOUNG: I am writing with regard to H.R. 2115, the Flight 100—Century of Aviation Reauthorization Act, which was ordered reported by the Committee on Transportation and Infrastructure on May 21, 2003.

I recognize your desire to bring this legislation before the House in an expeditious manner. Accordingly, I will not exercise my Committee's right to a referral. By agreeing to waive its consideration of the bill, however, the Energy and Commerce Committee does not waive its jurisdiction over H.R. 2115. In addition, the Energy and Commerce Committee reserves its right to seek conferees on any provisions of the bill that are within its jurisdiction during any House-Senate conference that may be convened on this legislation. I ask for your commitment to support

any request by the Energy and Commerce Committee for conferees on H.R. 2115 or similar legislation.

I request that you include this letter as part of the Committee's Report on H.R. 2115 and in the Record during consideration of the legislation on the House floor. Thank you for your attention to these matters.

Sincerely,

W.J. "BILLY" TAUZIN,  
*Chairman.*

HOUSE OF REPRESENTATIVES,  
COMMITTEE ON TRANSPORTATION AND  
INFRASTRUCTURE,

*Washington, DC, June 6, 2003.*

Hon. W.J. (BILLY) TAUZIN,  
*Chairman, Committee on Energy and Commerce, Rayburn Building, Washington, DC.*

DEAR MR. CHAIRMAN: Thank you for your letter of June 6, 2003 regarding H.R. 2115, the Flight 100—Century of Aviation Act and for your willingness to waive consideration of provisions in the bill that falls within your Committee's jurisdiction under House Rules.

I agree that your waiving consideration of these provisions of H.R. 2115 does not waive your Committee's jurisdiction over the bill. I also acknowledge your right to seek conferees on any provisions that are under your Committee's jurisdiction during any House-Senate conference on H.R. 2115 or similar legislation, and will support your request for conferees on such provisions.

As you request, your letter and this response will be included in the Committee report on the legislation and in the Congressional Record.

Thank you for your cooperation in moving this important legislation to the House floor.

Sincerely,

DON YOUNG,  
*Chairman.*

HOUSE OF REPRESENTATIVES,  
COMMITTEE ON RESOURCES,  
*Washington, DC, June 4, 2003.*

Hon. DON YOUNG,  
*Chairman, Committee on Transportation and Infrastructure, Rayburn House Office Building, Washington, DC.*

DEAR MR. CHAIRMAN: I have reviewed the text of H.R. 2115, Flight 100—Century of Aviation Reauthorization Act, as ordered reported from the Committee on Transportation and Infrastructure on May 21, 2003. The Committee on Resources has a jurisdictional interest in Section 408, Overflights of National Parks.

Recognizing your wish that this critical bill be considered by the House of Representatives as soon as possible, and noting the continued strong spirit of cooperation between our Committees, I will forego seeking a sequential referral of H.R. 2115 for the Committee on Resources. However, waiving the Committee on Resources' right to a referral in this case does not waive the Committee's jurisdiction over any provision in H.R. 2115 or similar provisions in other bills. In addition, I ask that you support my request to have the Committee on Resources represented on the conference on this bill, if a conference is necessary. Finally, I ask that you include this letter in the Committee on Transportation and Infrastructure's bill report.

I appreciate your leadership and cooperation on this bill and I look forward to working with you to see that H.R. 2115 is enacted into law soon.

Sincerely,

RICHARD W. POMBO,  
*Chairman.*

HOUSE OF REPRESENTATIVES, COMMITTEE ON TRANSPORTATION AND INFRASTRUCTURE,

*Washington, DC, June 4, 2003.*

Hon. RICHARD W. POMBO,  
*Chairman, Committee on Resources, Longworth Building, Washington, DC.*

DEAR MR. CHAIRMAN: Thank you for your letter of June 4, 2003, regarding H.R. 2115, the Flight 100—Century of Aviation Reauthorization Act, and for your willingness to waive consideration of the provision in the bill that falls within your Committee's jurisdiction under House Rules.

I agree that your waiving consideration of this provision of H.R. 2115 does not waive your Committee's jurisdiction over the bill. I also acknowledge your right to seek conferees on any provisions that are under your Committee's jurisdiction during any House-Senate conference on H.R. 2115 or similar legislation, and will support your request for conferees on such provisions.

As you request, your letter and this response will be included in the Committee report on the legislation.

Thank you for your cooperation in moving this important legislation to the House floor.

Sincerely,

DON YOUNG,  
*Chairman.*

HOUSE OF REPRESENTATIVES,  
COMMITTEE ON SCIENCE,  
*Washington, DC, June 6, 2003.*

Hon. DON YOUNG  
*Chairman, House Committee on Transportation and Infrastructure, Rayburn House Office Building, Washington, DC.*

DEAR CHAIRMAN YOUNG: I have reviewed H.R. 2115, Flight 100—Century of Aviation Reauthorization Act. The bill authorizes research and development (R&D) programs that fall within the jurisdiction of the Committee on Science.

In deference to your desire to bring this legislation before the House in an expeditious manner, I will not exercise this Committee's right to consider H.R. 2115—provided that your Committee acknowledges the jurisdiction of the Committee on Science over R&D programs regardless of the account from which they are funded. Further, the Committee on Science reserves its right to seek conferees on any provisions that are within this Committee's jurisdiction during any House-Senate conference that may be convened on this legislation and a corresponding Senate bill.

Specifically, the Committee on Science has jurisdiction over portions of section 102. That section authorizes, among other things, R&D programs within the Facilities & Equipment Account. This includes programs that the Committee on Appropriations transferred to the Facilities & Equipment Account in 1999. The Committee retains its right to such conferees on other portions of this bill related to R&D.

I request that you include this letter as part of the CONGRESSIONAL RECORD during consideration of the legislation on the House floor.

Sincerely,

SHERWOOD BOEHLERT,  
*Chairman.*

HOUSE OF REPRESENTATIVES, COMMITTEE ON TRANSPORTATION AND INFRASTRUCTURE,
