

afterward, Barbara said that moment was one of the high points of her career. But there would be many others. In her second term, House Speaker Tip O'Neill recognized her ability and appointed her to serve on the prestigious tax-writing Ways and Means Committee, a committee most members wait years to join. She also became the first woman member of the House Intelligence Committee. And in 1991, she became the first woman to join the House leadership as a chief deputy whip.

We miss her strong presence and her wise counsel here in Congress but are grateful for her continuing work on behalf of seniors as the President of the National Committee to Preserve Social Security and Medicare. I appreciate the opportunity to help honor a great woman in this way. I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 1415

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,
