

the recess on the Energy bill. I encourage Members who intend to offer amendments to the bill to notify the chairman and the ranking member prior to that last week.

I mentioned this morning and want to mention again that I will continue to try to reach an agreement for the filing of those amendments. Members have had an adequate time to draft and file those amendments.

Again, we started this bill in the Senate on May 6. Therefore, I will continue to try to reach that consent agreement with the other side of the aisle, the agreement to have a filing deadline for the amendments.

I do wish all a restful weekend. I look forward to our continuation of the appropriations process next week.

There being no objection, the Senate, at 9:30 p.m., adjourned until Monday, July 21, 2003, at 1 p.m.
