SEC. \_\_\_\_ To demonstrate the appreciation that the Senate has for, and to further encourage, the efforts of the Director of the National Institutes of Health in implementing the Pediatric Research Initiative under section 409D of the Public Health Service Act, it is the sense of the Senate that—

(1) the Director should continue the Initiative and emphasize the importance of pediatric research, particularly translational research; and

(2) not later than January of 2004, the Director should continue to report to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Energy and Commerce of the House of Representatives on the status of the Pediatric Research Initiative, including—

(A) the extent of the total funds obligated to conduct or support pediatric research across the National Institutes of Health, including the specific support and research awards allocated by the Office of the Director through the Initiative;

(B) the activities of the cross-institute committee on pediatric research in assisting the Director in considering requests for new or expanded pediatric research to be funded through the Initiative;

(C) how the Director plans to budget dollars toward the Initiative for fiscal year 2004;

(D) the amount the Director has expended to implement the Initiative since the enactment of the Initiative;

(E) the status of any research conducted as a result of the Initiative;

(F) whether that research is translational research or clinical research;

(G) how the Initiative interfaces with the Off-Patent research fund of the National Institutes of Health; and

(H) any recommended modifications that Congress should consider in the authority or structure of the Initiative within the National Institutes of Health for the optimal operation and success of the Initiative.
