

minute and to revise and extend his remarks.)

Mr. SANDLIN. Mr. Speaker, it is time for the daily Blue Dog report.

Mr. Speaker, it has been 847 days since President Bush and the Republican Party embarked on their economic plan for our country. During that time, the national debt has increased by \$1,161,083,093,278.33. According to the Web site for the Bureau of the Public Debt at the U.S. Department of the Treasury, yesterday at 4:30 p.m. Eastern Daylight Time, the Nation's outstanding debt was \$6,801,408,479,637.10. Furthermore, in fiscal year 2003, interest on our national debt, or the debt tax, is \$288,803,184,023 through July 31, the interest alone running at \$1 billion per day.

We must pay down this debt. We must have fiscal responsibility in this country.

Mr. Speaker, that is the daily Blue Dog report.

A SAFE INTERNET SITE FOR KIDS

(Mr. SHIMKUS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SHIMKUS. Mr. Speaker, last year we passed on this floor the "kids.us" site. President Bush signed this bill into law. It is a safe Internet site for kids.

Now I call upon corporate America, nonprofits and governmental entities to put information on the kids.us site. I also call upon all parents to demand that these entities do so.

The World Wide Web is an amazing, but dangerous, place for kids. With the arrival of kids.us, it has now become safer.
