

fact that there is no class warfare in America. The ruling class has completely pacified the swindled classes.

I want to end it with a little piece that summarizes that. It is a rap poem I put in the CONGRESSIONAL RECORD on Wednesday, July 16 called "Let the Rich Go First." This is as a result of my anger when on July 10, there was a vote to stop the expenditure of funds which were being allocated for the study of the Wage an Hour Act to cut overtime and that vote was defeated by the Republican majority. At a time when we were voting to stop paying overtime to working families, shortly after that, it was announced that the soldiers in Iraq would have to be kept there longer than expected. Instead of 6 months, they may be kept there for a year. Reservists would be in for a year instead of 6 months. So overtime for the people dying and fighting in Iraq, we are fighting overtime for payment of working families.

"Let The Rich Go First."

"Working families keep your soldiers at home, for overtime in Iraq no cash, no comp time, not even gratitude, Republicans intrude to exempt all heroes, no combat rotation, life on indefinite probation, scrooges running the Nation. To the front lines let the rich go first, for blood they got a thirst, let the superstars drink it in the glorious trenches; leave the disadvantaged on the benches. Welfare moms have a message for the masters: Tell Uncle Sam his welfare pennies he can keep for food stamps we refuse to leap through your hoops like beasts; just promise to leave our sons alone and we will find our own feasts. To Uncle Sam we offer a bargain: don't throw us dirty crumbs, don't treat us like bums and then demand the full measure of devotion; our minds are now in motion, class warfare is not such a bad notion.

□ 2245

Your swindle will not last. Recruiters we will not let pass. Finally we opened our eyes, each family is a private enterprise. Each child a precious prize. We got American property rights, before our children die in war. This time we will choose the fights. Let the rich go first: They worry about the overtime we abuse; the battlefields they always choose. Their estates have the most to lose. Let the rich go first.
