

I have not been around Washington quite as long to be able to build upon the shoulders of somebody like Representative LEWIS, who had this vision of a museum, but we are now taking that major step forward. As museums are approved and money is put forward, it takes a while, but to see that dream really becoming concrete, I want to tell him thank you for me, for this body, for America, and for all the millions of people who will benefit from that vision he had.

#### CONGRATULATING COACH JOHN GAGLIARDI

Mr. FRIST. Mr. President, I ask unanimous consent that the Senate proceed to the consideration of S. Res. 270, submitted by Senators COLEMAN and DAYTON earlier today.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The legislative clerk read as follows:

A resolution (S. Res. 270) congratulating John Gagliardi, football coach of St. John's University, on the occasion of his becoming the all-time winningest coach in collegiate football history.

There being no objection, the Senate proceeded to consider the resolution.

Mr. DASCHLE. Mr. President, I rise in strong support of S. Res. 270, congratulating John Gagliardi on becoming the winningest college football coach in history. He is a truly remarkable coach and an even better man.

While thousands of his players have known this for years, the rest of the country has come to learn over the last several weeks that it not just John's 410 wins which make him special. In an era when collegiate student athletes are pressured to avoid academics, John Gagliardi consistently coaches teams with graduation rates at or close to 100 percent. He values sportsmanship, hard work and humility. And he treats his players and opponents with respect.

I am proud that several South Dakotans have contributed to John's success over the years. This year's conference championship team includes three fine student athletes from South Dakota: Aaron Babb, of Sioux Falls; Jason Hardie, of Beresford; and Dana Kinsella, also of Sioux Falls.

There have been other fine South Dakotans before them. While there are dozens, I will name just a couple. Sean Dailey, an all-conference defensive end, is now an accomplished chemist. And Jay Conzemius, an All-American running back was until recently the Chancellor of the Catholic Diocese of Sioux Falls.

It is right and fitting for the Senate to honor John Gagliardi for his historic accomplishments. It is unlikely that anyone will ever win as many games as he has, and maybe even more unlikely that any coach will so positively impact the lives of so many young men. I yield the floor.

Mr. FRIST. Mr. President, I ask unanimous consent that the resolution

be agreed to, the preamble be agreed to, the motion to reconsider be laid upon the table, and any statements relating to the resolution be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 270) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:
