HAITI

The SPEAKER pro tempore (Mr. BISHOP of Utah). Under a previous order of the House, the gentleman from Michigan (Mr. CONYERS) is recognized for 5 minutes.

Mr. CONYERS. Mr. Speaker, I come to the floor tonight to bring to my colleagues' attention the extreme emergency that the country of Haiti finds itself in with gangs, rebels, renegades, protesters, thugs, drug lords, in combination and in different groups in different parts of the nation of trying to drive out the first duly elected President in the history of Haiti, President Jean-Bertrand Aristide.

There are a number of activities going on here in the Capitol that are intended to move our government and national organizations and international organizations into an effective combination that would allow peace to quickly come to this beleaguered nation where poverty, suffering and misery is so endemic.

I begin my comments with an appeal to the President of the United States, and I quote from a resolution that has been drafted by our colleague from California (Ms. WATERS) which urges the United States to support the principles of democracy and constitutional rule in the Republic of Haiti under which President Jean-Bertrand Aristide was elected and oppose any and all attempts to remove President Aristide from office prior to the completion of his term under the Constitution of Haiti. And that we additionally condemn the violent activities of groups of thugs, former members of Haiti's disbanded army, and paramilitary organizations in Haiti.

This is an appeal to urge the President of the United States to make a statement, to break his silence and to let the world and the people of Haiti know that this country promotes democracy, respects the right to protest, but appreciates that free speech cannot be equated with violence and intimidation.

In addition, we are seeking to invoke the awesome prestige of the United Nations through its Security Council which will be meeting tomorrow. We intend to communicate, Members of Congress, with the Organization of American States to urge that they continue their important work, that CARICOM be invited to offer assurances; in other words, that we pull these international organizations together and make certain that our country does not by its silence give a wink and a nod to the violence that is going on there.

Last of all, we appeal to our distinguished Secretary of State, Colin Powell himself, whose ancestors came from the Caribbean. We thank him for his

negotiations by which he attempted to reach agreement, and he extended the time. It was finally at 5 p.m. this evening that the rebel opposition rejected and refused to continue any negotiations. And so now we ask the Secretary of State in his wisdom and judgment to move to a new and higher plane in trying to bring this matter, the differences of other groups and citizens with their President, to a peaceful resolution.

It is very important that we recognize that the United States' role in this is so important since we were prominently involved in bringing a democratic election and a President to Haiti.

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Illinois (Mr. KIRK) is recognized for 5 minutes.

(Mr. KIRK addressed the House. His remarks will appear hereafter in the Extensions of Remarks.)

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from New York (Mr. OWENS) is recognized for 5 minutes.

(Mr. OWENS addressed the House. His remarks will appear hereafter in the Extension of Remarks.)

STATUS REPORT ON CURRENT SPENDING LEVELS OF ON-BUDGET SPENDING AND REVENUES FOR FY 2004 AND THE 5-YEAR PERIOD FY 2004 THROUGH FY 2005

Mr. NUSSLE. Mr. Speaker, I am transmitting a status report on the current levels on on-budget spending and revenues for fiscal year 2004 and for the five-year period of fiscal years 2004 through 2008. This report is necessary to facilitate the application of sections 302 and 311 of the Congressional Budget Act and section 501 of the conference report on the concurrent resolution on the budget for fiscal year 2004 (H. Con. Res. 95). This status report is current through February 6, 2004.

The term "current level" refers to the amounts of spending and revenues estimated for each fiscal year based on laws enacted or awaiting the President's signature.

The first table compares the current levels of total budget authority, outlays, and revenues with the aggregate levels set forth by H. Con. Res. 95. This comparison is needed to enforce section 311(a) of the Budget Act, which creates a point of order against measures that would breach the budget resolution's aggregate levels. The table does not show budget authority and outlays for fiscal years 2004 through 2008, because appropriations for those years have not yet been considered.

The second table compares the current levels of budget authority and outlays for discretionary action by each authorizing committee with the "section 302(a)" allocations made under H. Con. Res. 95 for fiscal year 2004 and fiscal years 2004 through 2008. "Discretionary action" refers to legislation enacted after the adoption of the budget resolution. A separate allocation for the Medicare program, as established under section 401(a)(3) of the

budget resolution, is shown for fiscal year 2004 and fiscal years 2004 through 2013. This comparison is needed to enforce section 302(f) of the Budget Act, which creates a point of order against measures that would breach the section 302(a) discretionary action allocation of new budget authority for the committee that reported the measure. It is also needed to implement section 311(b), which exempts committees that comply with their allocations from the point of order under section 311(a).

The third table compares the current levels of discretionary appropriations for fiscal year 2004 with the "section 302(b)" suballocations of discretionary budget authority and outlays among Appropriations subcommittees. This table also compares the current level of total discretionary appropriations with the section 302(a) allocation for the Appropriations Committee. These comparisons are needed to enforce section 302(f) of the Budget Act because the point of order under that section equally applies to measures that would branch either the section 302(a) allocation or the applicable section 302(b) suballocation.

The last table gives the current level for 2005 of accounts identified for advance appropriations under section 501 of H. Con. Res. 95. This list is needed to enforce section 501 of the budget resolution, which creates a point of order against appropriation bills that contain advance appropriations that are: (i) not identified in the statement of managers or (ii) would cause the aggregate amount of such appropriations to exceed the level specified in the resolution.
