ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. LAHOOD) (during the vote). There are 2 minutes remaining in this vote.

□ 1355

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. KLECZKA. Mr. Speaker, today I was not present for legislative session on the floor due to personal business. However, the issue before the House today was the same one that we had already considered in the 107th Congress. In fact H.R. 1997 is identical to the bill in the 107th, H.R. 503, which passed the House on April 26, 2001, by a vote of 252 to 172. Had I been present, my votes would have been cast the same way I did in 2001: "yes" on the Lofgren substitute amendment, and "no" on passage of the underlying bill, H.R. 1997.

SUNDRY MESSAGES FROM THE PRESIDENT

Messages in writing from the President of the United States were communicated to the House by Ms. Wanda Evans, one of his secretaries.

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I rise for the purposes of inquiring of the distinguished majority leader the schedule for the coming week.

Mr. DELAY. Mr. Speaker, will the gentleman yield?

Mr. HOYER. I yield to the gentleman from Texas.

Mr. DELAY. Mr. Speaker, I thank the gentleman from Maryland for yielding to me.

Mr. Speaker, the House will convene on Tuesday at 12:30 p.m. for morning hour and 2 p.m. for legislative business. We will consider several measures under suspension of the rules. A final list of those bills will be sent to Members' offices by the end of the week, and any votes called on those measures will be rolled until 6:30 p.m.

On Wednesday, the House will convene at 10 a.m. We plan to consider H.R. 1561, the Patent & Trademark Fee Modernization Act. In addition, we plan to consider H.R. 3752, the Commercial Space Launch Amendments Act. And, finally, I would like to remind all Members that we do not plan to have any votes next Friday, March 5.

I thank the gentleman for yielding and will be happy to answer any questions he may have.

Mr. HOYER. Mr. Speaker, I thank the gentleman for that information; and reclaiming my time, I wish to ask the gentleman just a few questions about other legislation.

It is my understanding the highway reauthorization bill has not been completed by the other body. It has not come back here. As the gentleman knows, it expires Sunday, I think. Does the gentleman have any idea of what action, if any, might be taken on this? Mr. DELAY. If the gentleman will continue to yield, I would just remind the gentleman the House passed a 4-month extension. It has been over in the Senate for some time. The Senate is having trouble with their rules to keep extraneous matters off of that bill, and they want to change the time of the extension.

So, unfortunately, we informed the Senate that the House has finished its business; and in order to accommodate the Senate with the 2-month extension, we would have to work with the minority to come up with a unanimous consent request to do that, because holding Members around for votes would be impossible. The Senate has a dilemma on their hands, and they are trying to work through it.

Mr. HOYER. Mr. Speaker, I thank the gentleman for that information. We did pass the extension in a timely fashion. And although I have not had the opportunity to discuss this with the Democratic leader, my presumption would be that we would try to work with the majority in providing unanimous consent, so that if something can move in the next 48 hours, we accomplish that objective.

Mr. Leader, as you know, the 9-11 commission has requested an extension of time. My understanding is the President has indicated his support of that extension. I also think I have read that the majority leader in the Senate believes that they would support that.
