

Mr. Speaker, the gentleman from Nevada (Mr. GIBBONS) has adequately explained H.R. 3706, which was introduced by our good friend and colleague, the gentleman from California (Mr. GEORGE MILLER). I would just note that the boundary adjustment is about as small as anyone can recall, covering about 9,500 square feet, or just two-tenths of an acre. However, this adjustment is necessary to clear up a land title problem and allow the construction of a needed visitor center and facilities for the historic site.

The National Park Service supports this legislation, and there is absolutely no controversy with it. I commend our colleague, the gentleman from California (Mr. GEORGE MILLER) for his work on the bill. I urge passage of H.R. 3706.

Mr. Speaker, I yield back the balance of my time.

Mr. GIBBONS. Mr. Speaker, I congratulate my colleague and friend, the gentleman from West Virginia (Mr. RAHALL), for his courtesies on this bill. We have no further requests for time to speak in favor of this legislation.

Mr. Speaker, I urge my colleagues to vote "aye" on this bill.

Mr. GEORGE MILLER of California. Mr. Speaker, I want to thank the House for considering the John Muir National Historic Site Boundary Adjustment Act today. My district is home to the residence of John Muir, his orchards, and Mt. Wanda, named for his daughter. Without John Muir's efforts, Yosemite National Park would not exist, and as first president of the Sierra Club, he helped sharpen Californians' appreciation for the Sierra Mountains, which he called "The Range of Light."

In addition to its historical significance, the former Muir estate provides valuable open space in the rapidly growing Bay Area. In 1988, we enacted legislation to expand the John Muir Historic Site. Following a survey conducted as part of the development of the General Management Plan, the Park Service discovered that a .2 acre triangle adjacent to the newly acquired parcel did not belong to the City of Martinez. In fact, it did not belong to anyone.

In order to meet the growing needs of site users, the Park Service would greatly benefit from a boundary adjustment to finally put to rest the question of property title to this small triangle of land. This bill will allow the Park Service to either acquire the land if an heir or former owner is identified, or condemn the property if an heir is not found. Once the title to the land is clear, the Park Service would be free to begin construction on a 32 vehicle parking area that would utilize the .2 acre parcel. This will allow greater access for schools, seniors groups, and everyone else interested in wilderness conservation, and the history of modern environmentalism.

This boundary adjustment is supported by Contra Costa County and the City of Martinez. Enactment of this legislation allows the Park Service to enhance public understanding of John Muir's contributions, while also facilitating access to an important recreation area in my district. I thank my colleagues for their support of this legislation.

Mr. GIBBONS. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. TERRY). The question is on the motion offered by the gentleman from Nevada (Mr. GIBBONS) that the House suspend the rules and pass the bill, H.R. 3706.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
