

consent that following the filing of that cloture motion, the Senate proceeded to a cloture vote on the pending substitute amendment to S. Res. 445.

The PRESIDING OFFICER. Without objection, it is so ordered.

#### PROGRAM

Mr. McCONNELL. Mr. President, tomorrow morning, the Senate will begin consideration of the FSC/ETI JOBS conference report. We will be unable to reach a limited time for debate; therefore, cloture will be filed on the conference report. At approximately 9:15 a.m., the Senate will begin the first cloture vote on the pending substitute amendment to the intelligence resolution. It is my expectation that cloture will be invoked, and we should be able to adopt the substitute shortly thereafter and then proceed to the cloture vote on the underlying resolution.

I also encourage Senators who wish to offer the amendments that are listed on the amendment list approved earlier tonight to come forward and offer those amendments. We hope to dispose of those tomorrow. Following the disposition of the resolution, the Senate will resume consideration of the FSC/ETI JOBS conference report.

Again, we have been unable to lock in a time certain for a vote on the conference report, and it appears cloture will be necessary. We will continue to work with all Members to move forward on our remaining work. As I mentioned earlier, we will finish both the Senate intelligence reform resolution and the FSC conference report prior to adjourning, as well as the Homeland Security appropriations conference report and/or Defense conference report as they are available.

Mr. REID. Will the Senator yield to me for a brief minute?

Mr. McCONNELL. Mr. President, I ask unanimous consent to waive the live quorum vote prior to cloture.

The PRESIDING OFFICER. Without objection, it is so ordered.

The Senator from Nevada.

Mr. REID. Mr. President, this second part of the 9/11 Commission recommendations is winding down. I know there has been a lot of hurt feelings today: You took too much from my committee; you are not giving enough to my committee.

People are very protective of what they have around here and what they fear they might lose. I have been chairman of the Environment and Public Works Committee on two separate occasions, and transferred from the Environment and Public Works Committee today was a very important aspect of the Public Works Committee, FEMA, the Federal Emergency Management Administration.

I only indicate that because when the dust settles, we will find that we have created a much more powerful Intelligence Committee, a much more powerful intelligence apparatus, and we will find that the homeland security

committee, which we have created, merged with the Governmental Affairs Committee, is going to be one of the most powerful committees in the Congress of the United States.

As I said, there are a lot of hurt feelings. This has been very difficult for Senator McCONNELL and I. We did not run for this assignment to manage this bill, but this is part of the responsibilities we have, and we have done the very best we can.

I hope tomorrow people will sit back and rather than lamenting what they did not get or what they felt they should get, they will understand what we are doing. This is part of the recommendations of the 9/11 Commission. Always remember this is legislation, it is not perfection. Legislation is the art of compromise, and I believe that includes consensus building, which we have done.

I want to again, through the Chair, extend my appreciation to the distinguished Senator from Kentucky. This has been extremely difficult for him and for me, but this is part of our responsibilities. I want to express my admiration and appreciation for his cooperation in allowing us to move forward on this legislation.

Mr. McCONNELL. Mr. President, I thank my friend from Nevada for his kind comments. I will have a good deal more to say about him tomorrow as well because this has been a challenging undertaking. I do think we have made substantial progress, if not having achieved everything we hoped, but I think we have come a long way in the right direction.

#### ORDER FOR ADJOURNMENT

Mr. McCONNELL. Mr. President, if there is no further business to come before the Senate, I ask unanimous consent that the Senate stand in adjournment under the previous order, following the remarks of Senator PRYOR.

The PRESIDING OFFICER (Mr. COLEMAN). Without objection, it is so ordered.

The Senator from Arkansas is recognized.

Mr. PRYOR. I thank the Chair.

(The remarks of Mr. PRYOR pertaining to the introduction of S. 2941 are printed in today's RECORD under "Statements on Introduced Bills and Joint Resolutions.")

#### ADJOURNMENT UNTIL 9 A.M. TOMORROW

The PRESIDING OFFICER. Under the previous order, the Senate stands adjourned until Friday, October 8 at 9 a.m.

There being no objection, the Senate, at 11:29 p.m., adjourned until Friday, October 8, 2004, at 9 a.m.
