TRIBUTE TO URBAN HEALTH PLAN, INC. ON THE 30TH ANNIVERSARY

HON. JOSÉ E. SERRANO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, October 8, 2004

Mr. SERRANO. Mr. Speaker, I rise today to acknowledge one of the largest employers in my district, Urban Health Plan, Inc., as they celebrate their 30th anniversary. UHP has worked for three decades now to make health care more accessible to residents of the South Bronx.

Urban Health Plan began as the vision of Dr. Richard Izquierdo, who, as a private practitioner in the South Bronx, saw the lack of primary health services that the community provided to its residents. He decided to form a community health center, and in 1968, the San Juan Health Center was born.

Urban Health Plan was created out of the San Juan Health Center to offer expanded services and increase outreach into the local community. It has done just that, by providing affordable, reliable care to residents of the South Bronx. UHP offers significant primary and specialty care, in addition to numerous outreach and education programs. Because many area residents do not speak English as a first language, most of the staff is bi-lingual. Today, Urban Health Plan, Inc. has expanded to include three health centers, six local school locations, homeless shelters, and adult treatment programs under the leadership of President and CEO Paloma Hernandez.

Mr. Speaker, in an area where hospital services and preventative medicine are sorely needed, Urban Health Plan, Inc. fills an important need for residents of my district. They have helped thousands of Bronx residents address their health care needs without mortgaging their futures. I am glad to count organizations such as Urban Health Plan, Inc. as allies in the effort to improve the neighborhoods and communities of the Bronx, and I salute Urban Health Plan, Inc. for their dedication to the residents of the South Bronx.

I hope my colleagues will join me in congratulating Urban Health Plan, Inc. on their 30th anniversary, and on wishing them continued success in the years to come.

RECOGNITION OF DR. HERBERT POCH

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, October 8, 2004

Mr. PALLONE. Mr. Speaker, I would like to take a moment today and laud the accomplishments of Dr. Herbert Poch and congratulate him for being honored by the Dr. Stanley Nichols Pediatric Auxiliary at Monmouth Medical Center. Having served as the Associate Program Director of the Pediatric Residency Program at Monmouth Medical Center for 8 years, Dr. Poch has exhibited true dedication towards his work as well as improving the lives of his young patients.

A native of Elizabeth, NJ, Dr. Poch received his medical degree from Columbia University and upon completing his residency, he returned to Elizabeth and maintained a successful private practice for 36 years. While chairing the Department of Pediatrics at Elizabeth General, he led the department to merge with Newark Beth Israel Hospital's Pediatric Department to develop a joint residency program in pediatrics, which led to notable improvements of pediatric care in the area.

Prior to joining Monmouth Medical Center as a full time faculty member in 1992, Dr. Poch served as an assistant clinical professor of Pediatrics at Columbia. Having always been a devoted teacher, Dr. Poch continues to teach on a part-time basis at Monmouth Medical, even after his retirement in 1999. In addition, he retains his academic position of clinical associate professor of Pediatrics at Drexel University College of Medicine, in Philadelphia.

His love for teaching comes second only to his love for family, including his wife of 52 years, Leila, and their 3 children, Bruce, Andi and Lesley. This gifted and devoted family man, doctor and teacher is also the recipient of three Dean's Special Awards for Excellence in Clinical Teaching, as well as the recipient of the Drexel University College of Medicine Oksana Korzenlowski, M.D. patient award for setting an outstanding standard of skill and commitment in the clinical care of patients.

Once again, I congratulate Dr. Poch on all that he has accomplished, and all that he has contributed to his community and the field of medicine. He is truly deserving of the honor that has been bestowed upon him.

IN MEMORY OF MR. TRUMAN GLASSCO

HON. ROBERT B. ADERHOLT

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 8, 2004

Mr. ADERHOLT. Mr. Speaker, it is with a heavy heart that we mourn the death of Mr. Truman Glassco, who recently passed away at the age of 73. I am honored to stand before this body of Congress and this Nation to recognize this wonderful man.

Truman, a lifelong resident of Boaz, AL, in Marshall County, was born in 1931. Known by all as a wise, humble, loving, generous and prayerful man, his significant contributions to society fell primarily in three areas: Christian

Fellowship, Community Service, and Education.

Truman dedicated so much of his life to spreading the Gospel through his commitment to the Alabama State Gospel Singing Convention and the Bethany Baptist Church. He was an active member of the Alabama State Gospel Singing Convention for over 40 years, serving in various positions including President in 1972 and 1989 and subsequently serving on the Board of Trustees from 1992 until his death this year. Also, the congregation of his church benefited tremendously from his service as deacon for 45 years, a Sunday school teacher for 38 years, and as Choir Director for 17 years. As if this is not impressive enough, he also served as the President of the Alabama School of Gospel Music from its inception in 1986 until his death.

Mr. Glassco demonstrated outstanding leadership to the Boaz community as well. He held various offices in the Boaz Chamber of Commerce including President for 4 years and Secretary for 18 years. The Chamber further recognized his contributions to society when it selected Truman as their "Man of the Year" in 1987 and "Educator of the Year" in 1985. He was a long-time member of the Boaz Civitan Club, serving as President and holding various other offices. The Civitan Club recognized Truman's achievements by voting him "Man of the Year" in 1974.

After earning three masters degrees, Truman served 38 years in public education, 22 years as a principal and 8 years as Assistant Superintendent of Education. Snead College named him "Alumnus of the Year" in 2004, an honor which was accepted posthumously by his wife, Dr. Bobbie Glassco. Although he never had children of his own, he was lovingly called "Papa Truman" by hundreds of young people.

The town of Boaz, Alabama benefited tremendously from Truman's kindness and selfless service to his fellow citizens. I had the privilege of first meeting Truman Glassco and his wife Bobbie as a young boy at Antioch Baptist Church in Marion County Alabama at a convention singing. Many people can tell you that he was a "real Christian man who made a real Christian difference in an indifferent world." I could not agree more. My thoughts and prayers continue to go out to his wife Bobbie, along with his family and friends. Yes, Gospel Music lost a dear friend when it lost Truman Glassco.

PAYING TRIBUTE TO KATHY GRISWOLD MCKEAN

HON. SCOTT MCINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, October 8, 2004

Mr. MCINNIS. Mr. Speaker, it is with a sad heart that I rise to mourn the loss of Kathy Griswold McKean, the co-founder of Liberty Day, from my district. Kathy was recently killed in a car accident on her way to deliver a Liberty Day mailing. She and her husband Andy dedicated the past 10 years of their lives to bring the Constitution and the Bill of Rights into the hands and minds of students across the country, and I want to recognize their contributions before this body of Congress and this Nation today.
