And, of course, the country remembers Dr. Baxter. From that terrible day in November of 1963, Dr. Baxter was the head of the emergency room when John Kennedy was brought into the facility at Parkland Hospital.

Mr. Speaker, all of us in Dallas and across the country mourn the passing of Dr. Baxter, and our thoughts and prayers will be with his family during this time.

Mr. JONES of North Carolina. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 126) to amend Public Law 89-366 to allow for an adjustment in the number of free roaming horses permitted in Cape Lookout National Seashore.

The Clerk read as follows:

GENERAL LEAVE

Mr. JONES of North Carolina. Mr. Speaker, I ask unanimous consent that

all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

There was no objection.

Mr. JONES of North Carolina. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 126, introduced by me, would allow for the adjustment in the number of free-roaming horses permitted in the Cape Lookout National Seashore. Specifically, H.R. 126 would permit the number of free-roaming horses to increase to 110 from its current level of 100, with a targeted population between 120 and 130 horses, and would not permit the removal of the horses unless the removal is carried out as part of a plan to maintain the viability of the herd.

H.R. 126 is identical to legislation that was supported by the majority and minority and passed the House of Representatives during the 108th Congress.

I urge adoption of the bill.

Mr. Speaker, I reserve the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I yield myself such time as I may consume.

(Mrs. CHRISTENSEN asked and was given permission to revise and extend her remarks.)

Mrs. CHRISTENSEN. Mr. Speaker, as the majority has explained, H.R. 126 makes a number of slight adjustments in the management of the herd as a means to assure their long-term survival.

Over the course of the last several hundred years, a herd of wild horses has established itself on the Shackleford Banks area of Cape Lookout, North Carolina. The herd developed on the banks because of shipwrecks and abandonment. When the National Seashore was established, there were approximately 100 wild horses on the barrier island. Since that time, the National Park Service has taken steps to control the herd size to prevent damage to park resources.

Mr. Speaker, H.R. 126 is a workable solution to the wild-horse management needs at Cape Lookout, and we support adoption of this legislation by the House today.

Mr. Speaker, I yield back the balance of my time.

Mr. JONES of North Carolina. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from North Carolina (Mr. JONES) that the House suspend the rules and pass the bill, H.R. 126.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
