

commercials to avoid having to explain to their children the possible side effects of a life-enhancement drug. A parent should never have to be forced to confront these issues with their children during family viewing hours.

These advertisements run frequently during all hours of the day and last year nearly \$400 million dollars was spent on advertising for the three most popular erectile dysfunction drugs: Viagra, Cialis and Levitra. While the pharmaceutical companies will tell you that they run these advertisements during television programs that appeal to the population that they are trying to target, these are the same television programs that parents like to view with their children, including the Super Bowl and college basketball games.

As you may know, the new Medicare Part D Prescription Drug benefit will begin covering ED prescription drugs when it starts in 2006. This means that the cost of advertising these ED drugs is going to be passed on directly to American taxpayers.

Mr. Speaker, I would like to remind all Members of Congress that it is time for us to do our job and address the concerns of millions of American families who do not want to see these ads during family viewing hours. Corporate profits should never trump family values.

We urge all Members of Congress, from both sides of the aisle, to support the "Families for ED Advertising Decency Act" and restore decency standards to the American airwaves.

CONGRATULATIONS TO THE FIRST BAPTIST CHURCH IN HAMMOND, INDIANA

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 17, 2005

Mr. VISCLOSKY. Mr. Speaker, it is with great honor and enthusiasm that I congratulate the First Baptist Church in Hammond, Indiana as they celebrate the grand opening of their new auditorium. They will be celebrating this very momentous and special occasion on Sunday, March 20, 2005.

Allan Hill founded the First Baptist Church of Hammond, Indiana in 1887. The church has since met for services in five different auditoriums. The first auditorium was built in 1888 under Pastor Hewitt, and doubled in size under Pastor Carter in 1900. The third auditorium was constructed in 1913 under Pastor Adams. In 1959, Pastor Hyles became pastor, and under his leadership, in 1964, a new auditorium was constructed seating approximately 2000. The auditorium doubled in 1975.

Throughout the years Pastor Hyles dreamed of building a new auditorium. Sadly, he passed away in 2001. However, the determination of the church proved that although Pastor Hyles was now in heaven, the Lord of the Harvest was still alive and well. Pastor Schaap took the helm in March 2001, and he immediately led First Baptist Church to the next level. With the increased attendance, once again the congregation began to outgrow the auditorium. Ground was broken for the new auditorium on November 3, 2004.

From its modest beginning, First Baptist Church has emerged as a cornerstone of the

community. Under Pastor Schaap's guidance, First Baptist continues to thrive, both in terms of spiritual growth as well as practical improvements. The proud members of the church are thankful for the spiritual and emotional leadership he and the previous pastors have provided during the years.

Mr. Speaker, I ask that you and my other distinguished colleagues join me in honoring and congratulating the First Baptist Church of Hammond, Indiana on the grand opening of its new auditorium. They have provided support and guidance for all those in the community, and will continue to serve their community through their selfless dedication and commitment.
