On March 26, 2005, Mike lost his life while fighting to defend America in Afghanistan. His military vehicle, with the 76th Infantry Brigade, Army National Guard, Indianapolis, struck a land mine 30 miles west of Kabul, Afghanistan claiming his life and the lives of three other Indiana Army National Guardsmen.

At his home in Bluffton, Indiana he was known as a loving husband and father. He was a member of the Bluffton Fire Department and he will not soon be forgotten by this grieving community of Bluffton, which will say goodbye to him this week. According to his wife Dawn, “Mike very much believed in the cause for which he gave his life. His entire family and friends have supported him in his endeavors.”

I rise to offer my deepest condolences to his wife, Dawn; his two children, Emily and Adam; his parents Thomas and Kay Hiester; his two sisters, Megan and Michele; his nephews Casey, Jesse, Kyle and Jared; his niece Carley; and all those across northeastern Indiana and all of our state who cherish the memory of this hero.

Master Sergeant Michael Hiester is a hero, whose service and sacrifice bolstered the hopes of millions of Americans and Afghans. The memory of his sacrifice and service will forever be emblazoned on the hearts of two grateful nations.

PERSONAL EXPLANATION

HON. BARBARA LEE
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, April 5, 2005

Ms. LEE. Mr. Speaker, I voted in favor of H. Con. Res. 18 and H. Con. Res. 32.

Mr. Speaker, I agree with the sentiments that these resolutions advance. There is no doubt that there must be an end to brutal human rights violations against the Syrian people and that a Syrian-occupied Lebanon poses a threat to the stability of the Middle East.

However, Mr. Speaker, I am firm in my belief that we must find a peaceful, nonmilitary solution to foster peace in the Middle East. These resolutions, while overwhelmingly approved by the House, must not be cited as tacit approval for any future preemptive military action against Syria.

RECOGNIZING THE 100TH ANNIVERSARY OF ROTARY INTERNATIONAL

HON. ED CASE
OF HAWAII
IN THE HOUSE OF REPRESENTATIVES
Tuesday, April 5, 2005

Mr. CASE. Mr. Speaker, I wish today to express my unqualified support for House Resolution 55, reprinted below and of which I am a proud cosponsor, recognizing the 100th anniversary of Rotary International, and in doing so to acknowledge the truly inspiring work of generations and millions of Rotarians over the last century.

Mr. Speaker, can there be a better example of selfless public service than that of Rotary International? From humble beginnings in Chicago in 1905, the world’s first service club now claims 1.2 million Rotarians in some 31,000 Rotary clubs in 166 countries. And it has found a special home in my own great State of Hawaii, with 41 clubs operating in all four counties, from Hanaele Bay to Hilo Bay.

The secret of Rotary International’s success is that it evokes our innermost desire to give back to our worldwide community, as captured in its motto: Service Above Self. Its now famous Four-Way Test—Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendship? Will it be beneficial to all concerned?—is a lighthouse not only for its own efforts but for those of all of us.

One hundred years of individual, community, statewide and countrywide projects have solidified Rotary International’s reputation and collectively earned it widespread recognition. But no project better exemplifies the spirit, success and potential of Rotary International than PolioPlus, its partnership with the World Health Organization, United Nations Children’s Fund, and Centers for Disease Control and Prevention to eradicate the scourge of polio from the face of our earth.

Most of us of adult age in our country remember the polio scares and tragedies of decades past, but we do not regard polio as a credible threat today due to widespread immunization and other advances. That is not true universally: polio still exists and strikes randomly, especially in South Asia and Africa.

In 1985, Rotary International undertook a truly breathtaking endeavor: to eliminate polio through universal immunization. And with its partners in the U.S. Agency for International Development’s Polio Eradication Initiative—and funding from many governments including $260 million since 1996 of our own—it has brought polio to its knees: 1988’s 350,000 cases internationally are today’s couple hundred.

But we all know that the last few steps of any marathon are often the hardest, and so it is with polio. I certainly saw the challenges in my trip last year to Afghanistan—one of just six countries where polio is still endemic—where the challenges in simply reaching some of the most remote and isolated communities in our world are staggering.

Yet with the help of near Rotary International’s efforts have been redoubled, and I want to tell you about just one inspiring contribution: that of Rotarian Bob “Motorcycle Bob” Mutchler and his wife, Patti. For the last seven years Bob, himself a victim of polio, and Patti have undertaken several marathon motorcycle rides across our country and world to highlight PolioPlus and raise funds for polio’s endgame.

Bob and Patti recently kicked off their latest PolioPlus Ride, the “Centennial Ride”, in our Hawaii, aiming to cover all fifty states ending in Alaska this summer. On Tuesday, March 15th, they and local Rotarians and other well-wishers started their engines in my hometown of Hilo and set off on the first leg of their latest adventure, a trip around my Big Island, followed by rides around Maui and Kauai and capped by a journey around Oahu on Saturday, March 26th, which I was honored to start. They’re now off riding the Mainland, taking our aloha with them; you can follow their journey at www.poloplusride.org, where Patti’s keeping a journal.

Bob and Patti Mutchler exemplify the spirit of Rotary International, as did Mike Nelson, President of the Rotary Club of Volcano on the Island of Hawaii. Mike embraced the Mutchlers’ efforts and chaired their Centennial Ride in Hawaii. Tragically, he lost his life in an auto accident on February 23rd; the ride was dedicated to him, and we remember him with the deepest appreciation and admiration for representing the true essence of Rotary.

Mr. Speaker, what an incredible century Rotary International has had, epitomizing the very best of our country, our world and our human race. We pause, in House Resolution 55, for a brief moment to recognize and honor Rotary’s achievements through the efforts of Rotarians everywhere, while appreciating our actions on behalf of all of our citizens, would have us move beyond as soon as possible to the remaining and urgent tasks at hand.

Mahalo, and aloha!

TRIBUTE TO SAUL STERN

HON. BENJAMIN L. CARDIN
OF MARYLAND
IN THE HOUSE OF REPRESENTATIVES
Tuesday, April 5, 2005

Mr. CARDIN. Mr. Speaker, I rise today to pay special tribute to Saul Stern who will receive the Project Interchange Am Yisrael Chai Award on May 30, 2005. Saul Stern has worked tirelessly on behalf of Project Interchange to provide American political and civic leaders with a first-hand look at the vibrant democracy of Israel. His efforts have increased the understanding of many American leaders of the special bond shared by the United States and the State of Israel.

Saul has made involvement with international, national and local Jewish and secular communal affairs a lifetime commitment. Over the years, Saul has accompanied many political and military leaders to Israel to help educate them about the complex issues affecting Israel. A passionate supporter of Project Interchange, he believes that the most effective way to help people understand the value of the U.S.-Israel relationship is by becoming a first-hand look at the vibrant democracy of Israel. His efforts have increased the understanding of many American leaders of the special bond shared by the United States and the State of Israel.

I hope my colleagues in the U.S. House of Representatives will join me in saluting Saul Stern for his commitment and dedication to fostering understanding between the United States and Israel.
