BAYLOR UNIVERSITY WOMEN’S BASKETBALL TEAM

HON. SHEILA JACKSON-LEE
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 5, 2005

Ms. JACKSON-LEE of Texas. Mr. Speaker, I rise today to congratulate the Baylor University Women’s Basketball Team on their success during the NCAA Women’s Basketball Tournament. With a record of 31–3, the Lady Bears have risen to the challenge and have represented the Big Twelve and the State of Texas with pride. Led by point guard Chelsea Whitaker, the Lady Bears have won their way into the Championship game where they will face Michigan State tonight.

I attended the Lady Bear’s 68–57 victory over LSU in the Final Four game on Sunday and was particularly excited for junior forward Sophia Young, who scored 21 points in the game, and was named the Tempoe Regions’ MVP earlier in the tournament. As a Member of the House Immigration Subcommittee, I was able to help bring Miss Young’s mother, Annie Christopher, from St. Vincent, West Indies to see her daughter play collegiate basketball for the first time. Sophia is a very talented basketball player and I am glad that she was able to take her place as a member of the Baylor basketball team through the U.S. Immigration program. We as a nation embrace talent such as Sophia’s athletic gifts and we recognize the value of reuniting families for important moments. After Baylor’s latest victory when Sophia was able to hug her mother in the stands, you could see that this is truly the real face of immigration.

I also want to congratulate Coach Kim Mulkey-Robertson on her great achievements at Baylor. Tonight, she has a chance at achieving history; a win over Michigan State would make her the first women’s coach to achieve history; a win over Michigan State would make her the first women’s coach to achieve the NCAA championship game having won 19 Sweet 16. This year the Lady Bears enter the College Basketball for the first time. Sophia is a very talented player and her father, Paul Jr. and Kayla.

Mr. Speaker, he is a source of tremendous strength for his community and his congregation, and his commitment to serving his fellow man serves as a powerful example. I am proud to have the chance to honor him here today.

TRIBUTE TO DR. ROBERT HARRIS

HON. DORIS O. MATSUI
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 5, 2005

Mrs. MATSUI. Mr. Speaker, today I rise in tribute to a man with a distinguished career in education. Dr. Robert Harris’ vision and hard work have made Sacramento City College one of the preeminent junior colleges in Northern California. The longest tenure of any president since the college was founded in 1916: Dr. Harris will step down as President of Sacramento City College after 18 years of wonderful service. As his family, friends, and colleagues gather to celebrate Dr. Harris’ great career, I ask all my colleagues to join me in saluting one of Sacramento’s most respected and successful educators.

President Harris is well-known for his resolve to foster positive changes, which has resulted in many improvements to the Sacramento City College campus, including the restoration of the Auditorium, renovation of the City Cafe, and construction of a Child Development Center, Center for Physical Excellence, and the Learning Resource Center, “a grand and gleaming hightech wonder.” Since the beginning of his presidency, he has had the vision and drive to push for the development of light rail directly to the City College Station; and under his leadership, Associated Student Government students presented a Resolution in Support of Regional Transit to the Los Rios Board of Trustees, which resulted in a student vote of the Universal Transit Pass fee and a Regional Transit Pass both recommended by the Joint public transit bus and light rail systems in Sacramento, Yolo, Folsom, El Dorado and Elk Grove.

During his presidency, Sacramento City College co-sponsored the annual Martin Luther King, Jr. event. In 1996 inaugurated an annual Capital Shrine Bowl to raise awareness and funding for Shriners Hospitals for children. It was also under Dr. Harris’ stewardship that Sacramento City College, in partnership with Sutter Health Sacramento Sierra Region, expanded its Associate Degree Nursing Program and Sutter has committed more than $16 million through 2010 with the goal of educating 450 registered nurses.

Dr. Harris also helped establish Beta Eta Psi, a campus chapter of the Phi Theta Kappa International Honor Society. He helped to create a $7,500 scholarship to pay the induction fee for students who need assistance, and was one of only 24 college presidents honored with the prestigious Shirley B. Gordon Award of Distinction which recognizes college presidents for outstanding efforts in promoting the goals of Phi Theta Kappa at the chapter level. Also, a decade ago, President Harris supported the creation of Susurrus, the college literary journal, which has twice won first place in the National Community College Humanities Association Annual Literary Magazine Competition.

President Harris deserves special recognition for his unwavering support of programs that provide services and encouragement to underrepresented and non-traditional students. It is fair to say that the Sacramento City College Classified Senate would not exist without his encouragement and his support. President Harris’ views on participatory governance promoted an unprecedented level of collegiality on campus.

In 2004, directly as a result of Dr. Harris’ leadership, the Western Association of Schools and Colleges reaffirmed Sacramento City College accreditation without conditions—the highest level of accreditation a college can receive.

Mr. Speaker, as Dr. Harris’ friends, family, and colleagues gather to celebrate his great career, I am honored to pay tribute to one of the Sacramento Region’s most successful educators. Dr. Harris’ leadership is a true testament to making a positive impact to the lives of others. I ask all of my colleagues to join me in wishing Dr. Robert Harris continued success in all his future endeavors.
