charter member to the Black Athletes Hall of Fame. The Hendersons also endeavored to improve the rights of African Americans in their community. In 1915, their hometown of Falls Church, Virginia, proposed to segregate all African American students in a designated living area. The couple vehemently challenged the law by uniting people under the Colored Citizens’ Protective League (CCPL). The CCPL succeeded not only in defeating the segregation ordinance, but also in advancing numerous civil rights endeavors. The organization later became the first rural branch of the National Association for the Advancement of Colored People, in which the couple was highly active. The Henderson’s contributions were extensive and continued to be felt throughout Northern Virginia. Although they coveted no recognition for themselves, these extraordinary individuals not only affected their community, but also helped shape the Nation. Mr. Speaker, I am proud to honor these great Americans today.

Mr. POMBO. Mr. Speaker, I rise today to commend the Sentinels of Freedom for the work they do in support of our troops.

This group of business and community leaders in the San Ramon Valley have worked together to help a wounded soldier returning from Iraq. This group, led by Mike Conklin of San Ramon, California has created a scholarship that will provide housing, a handicapped-equipped van, education, and job training and placement for a soldier who lost both his legs in Iraq. For the next four years, a team of mentors will help this brave man transition from the military back into civilian life.

I am deeply supportive of the tireless work Mr. Conklin has done in support of the brave men and women of our Armed Services. Along with the Blue Star Moms, SBC Communications, Shapel Industries of Northern California, the community of San Ramon, California, the United States Army and Walter Reed Army Hospital, the Sentinels of Freedom have developed a great program to support our troops.
