

Jerry Waldor was president of the United Jewish Federation of MetroWest, an umbrella social organization that provided services to thousands in northern New Jersey. He was a beloved community leader who took a serious role in so many areas of importance to communities in our area of New Jersey. As is well known in these days of serious philanthropy, it is not an uncommon practice to delay or even avoid meetings or discussions with friends who volunteer to solicit funds no matter how good and important the organization's agenda. Jerry Waldor would phone me every year to solicit my contribution to the local Jewish Federation, and I welcomed his call because his manner was so pleasant and his own giving so generous. He also served as national vice chairman of the United Jewish Appeal and a director of the Council of Jewish Federations. He served on the boards of the American Jewish Committee and the New Jersey YMHA camps. He also served as a director of the National Conference of Community and Justice and a trustee of Cerebral Palsy of North Jersey.

Jerry also had a distinguished record of military service. He entered the U.S. Military Academy at West Point in 1946 and graduated as a second lieutenant in the Air Force.

During 5 years in the Air Force, he rose to the rank of captain, and worked as a deputy assistant for logistics in the Pentagon. After completing his active duty, he entered the Air Force Reserve, where he served until 1983. He retired as a major general. During his military career, Jerry received the Distinguished Service Medal and the Legion of Merit with Oak Leaf Cluster.

Jerry touched many lives during his time on Earth, and his deeds and memory will live on. I am proud to call him my friend. He will be missed by all who knew him. I hope his family will take comfort in the recall of their good fortune to have had him as husband, father, and grandfather in these dark days.●
