

Ms. Dixon is a well-recognized leader in the Westminster community. Her honors and awards include Jefferson County Mother of the Year, Metro North Chamber Volunteer of the Year and several marketing achievement awards.

Mr. Speaker, I ask my colleagues to join with me in expressing my gratitude to Ms. Dixon for her tireless work. Although her work and the issues she has championed are serious and important, she brought a refreshing, positive outlook that was infectious. Through all of this work—at times difficult and controversial—she maintained a sense of humor and humility in her interactions with others, without compromising professionalism or respect of others and their views. In a time when faith in our political system is faltering, we should recognize and acknowledge people like Ms. Dixon who have an innate devotion to enhancing the quality of life in our communities. I am proud to offer my appreciation for her work and wish her continued success in all her future endeavors.

IN RECOGNITION OF THE AUBURN
EARLY EDUCATION CENTER

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 20, 2005

Mr. ROGERS of Alabama. Mr. Speaker, on behalf of myself and Congressman BACHUS, we would like to extend our sincerest congratulations to the Auburn Early Education Center in Auburn, Alabama, for its receipt of the prestigious Intel Corporation and Scholastic "School of Distinction" Award. This school, through the hard work of its faculty and staff, has set a national standard in literacy achievement through innovation. We are proud to commend its laudable accomplishments.

The Auburn Early Education Center serves the needs of all kindergarten students enrolled in Auburn City Schools. This school, in developing its curriculum, focuses on a child-centered approach to learning. It is this focus, along with the integration of reading in all subject areas, that led Intel and Scholastic to recognize the Auburn Early Education Center from among 3,000 excellent competitors as one of twenty schools worthy of being designated as a "School of Distinction."

Mr. Speaker, because of the Auburn Early Education Center's success in the area literacy achievement, they will receive a grant of \$10,000 and will share in a host of technological prizes designed to further improve learning opportunities at the school. It is our sincere belief that this institution will continue to serve as a guiding example to primary schools across the United States of what is possible in literacy education when faculty, staff and parents come together with the common purpose of providing the best education to students. We are honored to recognize the Auburn Early Education Center before this body and this nation for their devotion and commitment to quality education. Congratulations on your well deserved recognition as a "School of Distinction."

HONORING CHANNEL INDUSTRIES
MUTUAL AID ON THEIR 50TH AN-
NIVERSARY

HON. GENE GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 20, 2005

Mr. GENE GREEN of Texas. Mr. Speaker, I rise today to recognize one of the largest mutual aid organizations in the world, Channel Industries Mutual Aid, for their 50 years of service to Houston and the surrounding areas.

Formed in 1955 under the name of the "Houston Ship Channel Industries Disaster Aid Organization," in 1960 it became the non-profit corporation "Channel Industries Mutual Aid." Its objective remained the same: to provide mutual assistance in case of emergency situations, whether natural or man-made.

With over 100 industrial, municipal, and governmental members such as Shell Oil, Celanese, the City of Houston Fire Dept., and the U.S. Coast Guard, CIMA joins these together to respond to fire, hazardous material, rescue and medical emergencies along the Houston Ship Channel.

CIMA provides disaster assistance not only to the Houston Ship Channel, but cooperates with mutual aid organizations all along the Texas and Louisiana coastlines, and has shared its response readiness procedures with international organizations such as the International Red Cross, and countries such as Germany, Switzerland, and Austria.

For its invaluable service to the City of Houston, the 29th District of Texas, the Gulf Coast, and the rest of the world, I extend CIMA my deepest gratitude, and my heartfelt congratulations on 50 years of excellence.

RECOGNIZING WORLD WAR II VET-
ERANS OF POLK COUNTY, FLOR-
IDA

HON. GINNY BROWN-WAITE

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 20, 2005

Ms. GINNY BROWN-WAITE of Florida. Mr. Speaker, I rise today to recognize the brave soldiers of Polk County, Florida who served during World War II.

At a ceremony to be held Saturday, October 22, 2005, Congressman ADAM PUTNAM and I will present representatives from each of the five United States Armed Forces with commemorative coins honoring their service during World War II.

As General George Patton once said, "Wars may be fought with weapons, but they are won by men. It is the spirit of the men who follow and of the man who leads that gains the victory."

The Polk County veterans we are honoring this weekend clearly met General Patton's description above. They proved themselves in battle in Europe, Africa and the Far East. Their sacrifices on the battlefield preserved liberty and freedom for millions throughout the world.

Mr. Speaker, true American heroes like these Polk County World War II veterans should be honored for their service to our Nation and for their commitment and sacrifices in

battle. They are truly part of America's Greatest Generation.

A TRIBUTE TO DR. ATUL B.
CHOKSHI

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 20, 2005

Mr. TOWNS. Mr. Speaker, I rise today in recognition of a member of the Brooklyn community and distinguished member of the healthcare profession, Dr. Atul B. Chokshi. It is an honor to represent Dr. Chokshi in the House of Representatives and it behooves us to pay tribute to this outstanding leader in American Medicine.

Mr. Speaker, on Dr. Atul B. Chokshi's resume he states that his life's goals are to "be as complete a cardiologist as possible" and "to be as nice and loving a human being as possible." To the thousands of people of the Interfaith Medical Center community who have been touched by Dr. Chokshi's gentleness and caring nature, he has already met his life's goals.

Born and trained in India, with an 18-month stint in England, Dr. Chokshi has been with Interfaith Medical Center for nearly his entire medical career. Joining one of Interfaith Medical Center's predecessor hospitals, Jewish Hospital and Medical Center of Brooklyn, or "Brooklyn Jewish" in the summer of 1978 as an Intern in Internal Medicine. Dr. Chokshi has served in a variety of positions leading up to his being named the Director of the Cardiac Catheterization Lab.

As head of Interfaith Medical Center's Cardiac Cath Lab since 1993, Dr. Chokshi has pioneered thoughtful and gentle cardiac care. In November 2004, Dr. Chokshi launched the City's first Walk-in-Walk-out transradial cardiac catheterization program. Virtually painless and allowing the patient to go home to resume normal activity within an hour, Interfaith Medical Center's Walk-in-Walk-out service involves inserting the catheter into the radial artery at the wrist for complete cardiac evaluation and even a peripheral angiogram can be done at the same time without the use of the femoral artery.

In addition to being a brilliant physician, Dr. Chokshi is an ardent student of the Bhagawad Gita, which inspired him to combine his devotion to the teachings of Lord Krishna with his cardiology expertise to help establish The Krishna Heart Institute in Ahmedabad, India. Since its opening in 2000, The Krishna Heart Institute has performed more than 4,000 open heart surgeries and 25,000 other life-saving procedures.

Dr. Chokshi is married to Dr. Vandana Chokshi, a radiologist with a subspecialty in Nuclear Medicine and Chief of both Radiology and Nuclear Medicine at Interfaith Medical Center. Drs. Atul and Vandana Chokshi have a daughter, Krishna.

Mr. Speaker, I believe that it is incumbent on this body to recognize the accomplishments and selfless service of Dr. Chokshi as he offers his talents and philanthropic services for the betterment of our local and national communities.

Mr. Speaker, Dr. Chokshi has continuously demonstrated a level of altruistic dedication
