STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Ms. STABENOW:

S. 1973. A bill to provide an immediate Federal income tax rebate to help taxpayers with higher fuel costs, to express the sense of the Senate regarding full funding of LIHEAP, and to provide consumer protections against fuel price gouging, and for other purposes; to the Committee on Finance.

Ms. STABENOW. Mr. President, I rise today to introduce the Energy Tax Rebate Act of 2005 and I ask unanimous consent that the text of the bill be printed in the RECORD.

Michigan families and families across America are being delivered a one-two punch when it comes to energy prices. First, they continue to be hit hard by high gasoline prices. Now they are facing home heating costs this winter that are expected to rise dramatically compared to last year.

We can do better than this for our families. So today I am introducing a bill that will provide families with an immediate \$500 tax rebate to help them pay for rising energy costs. My legislation also includes important consumer protections to make sure Americans are not the victims of unfair market practices and consumer price gouging. Finally, my bill includes a Sense of the Senate that the Low-Income Home Energy Assistance Program, known as LIHEAP, should be fully funded to its authorized level of \$5.1 billion. LIHEAP is a successful program that makes sure our most vulnerable families, those living on low incomes or fixed-incomes, are able to heat their homes during the cold winter months.

Filling our cars with gasoline to take our children to school and heating our homes in the winter are not luxuries. They are necessities. Energy is a necessity. Together we can do better and together we will do better.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 1973
