

They did not do it for a great reason. They did it to get into the personal life of President Clinton.

But now we have public violations, violations of the public trust through CIA leaks, leaks of CIA prisons, and all of this nonsense that has been going on. Let us restore some integrity back to this place and get rid of the three C's: corruption, cronyism, and the lack of competence.

Mr. MEEK of Florida. Mr. Speaker, I want to read Point No. 4. This paper is still a little warm because they just carried out this act. It states: "Provide that the amendment printed in the Rules Committee report accompanying the resolution shall be considered as adopted."

Why come to the floor tomorrow? We cannot offer an amendment.

Mr. RYAN of Ohio. People are going to make career decisions tomorrow.

Mr. MEEK of Florida. Yes, that is the bottom line. Some Member is going to make a career decision tomorrow because somebody told him to vote for something that they did not want to vote for in the first place.

We are going to make the right decisions, decisions on behalf of the American people. May the blocks fall where they may. There is going to be a difference between the Members and the followers in this Chamber. It is important that we let the American people know who is standing for them.

So when Ms. WASSERMAN SCHULTZ talks about when judgment day comes every 2 years, when Democrats, Republicans and the one Independent we have, when people go to make their decision, I want them to think about the fact that they should vote principle over party. Do not go for, in the last minute what we call in some areas of this country, the okie-doke. Hey, I am strong on terror. I am with the trips. We have Members flying to Iraq. Thank you for fighting for our country; but do not talk to me when you become a veteran. I am just fresh off a vote cutting your future benefits. But, hey, I am with you all of the way. But as long as you stay enlisted, we stay with you.

Mr. Speaker, I want to give the Web site out, but I wanted to make that point so people remember what happened this November. They came to the floor and came willing to vote for a budget that was unjust.

Mr. RYAN of Ohio. Mr. Speaker, the Web site is

30SomethingDems@mail.house.gov. Send an e-mail recommendation to the Members of this body tomorrow. And bring your PJ pants. We may be here into the wee hours of the morning. We want to apologize in advance to the veterans organizations we are supposed to be at Friday morning for speaking engagements because we may be here voting on this budget.
