

I am also concerned about the precedent we are setting here. It is my understanding that the American Horse Council fully backs the pending bill. A noble organization, which does good service for the equine community. Yet, what if the American Motorcyclist Association catches wind of this bill. Can we expect a counter proposal from them, to make trails open to off-road motorcycles also deemed to be the highest and best use of public trails. I would expect their members would not want to be viewed as second class citizens when it comes to trail use. And the hikers, the bikers, the ATV groups. The list goes on.

With that Madam Speaker, I have some trepidation over the course this legislation sets, and this comes from a gentleman who is a strong defender of our horse tradition in this country.

Mr. RADANOVICH. Madam Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. RADANOVICH) that the House suspend the rules and pass the bill, H.R. 586.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

The Chair recognizes the gentleman from California.

GENERAL LEAVE

Mr. RADANOVICH. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. RADANOVICH. Madam Speaker, I yield myself such time as I may consume.

H.R. 2978, introduced by our colleague DENNIS REHBERG of Montana, allows two Fort Peck Indian Reservation Tribes to lease water to nearby non-Indian communities.

In northeastern Montana, water supplies are very scarce. For this reason Congress authorized a rural water supply protection for the Fort Peck Indian Reservation and some of its neighbors a few years ago. As the project is now under construction, water users realize that the underlying law needs to be clarified in order to ensure a water transfer. This bill makes this commonsense clarification on the Federal level. The State Water Commission has already approved the conveyance, and I urge my colleagues to support this noncontroversial bill.

Madam Speaker, I reserve the balance of my time.

Mr. KIND. Madam Speaker, I yield myself such time as I may consume.

(Mr. KIND asked and was given permission to revise and extend his remarks.)

Mr. KIND. Madam Speaker, simply put, H.R. 2978 brings much-needed clean drinking water to over 31,000 residents of northeastern Montana. It does so by bringing together the plans of these tribes and the Dry Prairie Rural Water Association to convey water from an area of surplus to an area of need, with no compensation being asked and with full recognition and protection of the tribes’ water rights.

Too often in this body, we are witness to conflicts over resources, and this is especially true for the limited precious water supply that we have. This bill is a welcomed departure from all of that.

Madam Speaker, we strongly support the adoption of H.R. 2978.

Madam Speaker, I yield back the balance of my time.

Mr. RADANOVICH. Madam Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. RADANOVICH) that the House suspend the rules and pass the bill, H.R. 2978.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
