

Service Medal, the Defense Meritorious Service Medal, and nearly a dozen other illustrious awards and badges. LTC Lauzon has also earned two Master's degrees: one in Military Operational Art and Science from the U.S. Air Force and another in construction management from Colorado State University.

While serving as the Commander in the Detroit District, LTC Lauzon's inspired leadership guided others through the quickly shifting business environment as well as towards a more organized and efficient Lakes and Rivers Division. The numerous successful projects he oversaw are a tremendous credit to his skill as an engineer and his abilities as a manager. LTC Lauzon has been a big player in the ongoing efforts to expand the Detroit River International Wildlife Refuge—a project that is near and dear to my heart.

In retirement, I know LTC Lauzon will have more time to improve his golf game and spend more time hand making golf clubs. But most importantly LTC Lauzon will be able to spend quality time with his wife Kathleen and his two children Lauren and Zachary.

Mr. Speaker, I would ask you and all of my colleagues to join me as we honor the retirement of LTC Lauzon from the Army and the U.S. Army Corps of Engineers for the Detroit District. Though his leadership will be sorely missed, his past efforts and his foresight will be appreciated long into the future.

A TRIBUTE TO METROPOLITAN
BAPTIST CHURCH

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 13, 2006

Mr. SCHIFF. Mr. Speaker, I rise today to honor Metropolitan Baptist Church in Altadena, California. Metropolitan Baptist Church is one of the oldest congregations in the Altadena/Pasadena area and will celebrate 100 years of dedicated service to the community this month.

Founded on June 6, 1906 by Reverend J.D. Bushnell and 13 members, the church was located at 134 Waverly Drive in Pasadena. In 1911, the cornerstone was laid and articles of incorporation were filed with the Secretary of State. For many years, the church was located in Pasadena on Waverly and Bellevue Drive and then on Mentone and Claremont Streets. About 40 years ago, Metropolitan Baptist Church built their current church on N. Fair Oaks Avenue in Altadena.

Some of the programs that the church established over the last century include Music Ministry, Home Mission Society, Young People's Union, Mother's Board, Day Nursery, a Boy Scout Troop, Young Adult Choir, Bible Study, Children's Church, Prayer Warriors, Prayer Line, Hospitality Ministry, Senior Citizen Luncheon, and Health Fair.

In 1990, Reverend Tyrone Skinner began his tenure with Metropolitan Baptist Church. Reverend Skinner has been instrumental in establishing many new ministries, such as Praise Team, Praise Dancers, Petals Ministry, 40 Stomp Team, and Mass Choir within the church, as well as establishing the Metropolitan Community Action Services Corporation. The church also serves the community by feeding and clothing the homeless at Union

Station, and the Pantry and Covered Dish Ministries.

Metropolitan Baptist Church is a place where the community at large is warmly welcomed. Many local religious, educational, and civic groups, such as the Interdenominational Ministerial Alliance, the NAACP, and the Pasadena Association of African American Educators use the facilities. In addition, the Young African American Male Conference and numerous community events honoring Martin Luther King, Jr. are held at Metropolitan Baptist Church.

It is my great honor to recognize Metropolitan Baptist Church upon its 100 years of ministry to the people of Altadena and Pasadena. I ask all Members to join me in wishing Metropolitan Baptist Church many more fruitful years of service to the community.

IN RECOGNITION OF DOYLE
MOONEYHAM

HON. DENNIS A. CARDOZA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 13, 2006

Mr. CARDOZA. Mr. Speaker, it is with the greatest pleasure that I rise today to honor Mr. Doyle Mooneyham upon his retirement from the United States Postal Service after nearly 50 years of dedicated service.

In 1958, Doyle began his impressive career with the United States Postal Service as a letter carrier in Merced, California. Just a few years later, in 1961, Doyle was transferred to the Winton Post Office, in Winton, California where he has remained for the last 45 years. Throughout his extraordinary career, Doyle's work has clearly remained his priority. During his tenure with the Winton Post Office, Doyle has exemplified the unofficial U.S. Postal Service's motto as "neither snow nor rain nor heat nor gloom of night stays these couriers from the swift completion of their appointed rounds." Throughout his nearly 50 years of service, Doyle never used a sick day until he underwent hip replacement surgery in 2005. Even after taking a year off of work to recuperate, Doyle still has 2,926 hours of sick leave, the equivalent to a year and a half of work. This is quite a remarkable accomplishment that very few individuals achieve in their lifetime. It is truly reflective of Doyle's commitment to his work, the community and the United States Postal Service.

Mr. Speaker, it is my honor and privilege to join Doyle Mooneyham's family, co-workers and friends in recognizing his lifetime of service to our community, and to congratulate him on his retirement from the U.S. Postal Service. Our community benefits greatly from the splendid example that he has set throughout his career. It is with the greatest sincerity and respect that I ask my colleagues to join me in offering Mr. Doyle Mooneyham best wishes for continued success and happiness in the years ahead.

WAIVING POINTS OF ORDER AGAINST CONFERENCE REPORT ON H.R. 4939, EMERGENCY SUPPLEMENTAL APPROPRIATIONS ACT FOR DEFENSE, THE GLOBAL WAR ON TERROR, AND HURRICANE RECOVERY, 2006

SPEECH OF

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Monday, June 12, 2006

Mr. BLUMENAUER. Mr. Speaker, it is a disservice to the American people that the toughest challenges to our Nation at home and abroad are not addressed in a straightforward manner.

More than 1,000 days after the war in Iraq began, we continue to fund it on an emergency basis deceiving the American taxpayer of the true cost of this war through a budgetary maneuver that simply pushes the enormous cost onto the next generation. It is no longer appropriate for Congress to approve this funding as an emergency. We must account for this through the normal budget process to ensure that taxpayer money is spent responsibly and with accountability.

As for our response to protecting Americans at home from disasters, 75 percent of the American public is at risk from one or more natural disasters, such as floods, fires, or earthquakes—yet the Federal Government continues to pour money into disaster-prone areas without any forward thinking plans. Instead of funding upfront mitigation, planning, and preparedness for disaster-prone communities, we spend even more money in emergency supplemental for things that we should know by now to expect. Our bizarre budget rules make it cheaper to appropriate billions after the fact than to invest millions in proven prevention programs.

This emergency supplemental demonstrates Congress's complacency in dealing with tough choices and avoids fiscal responsibility.
