

this bill out of committee, and also our distinguished minority whip, STENY HOYER, for his help in getting the bill to the floor of the House.

The establishment of a national memorial permanently commemorating the events at the World Trade Center on 9/11 will serve as a testament to the heroism of the people of New York and the people of the United States of America. It will help us all as a Nation to remember the indomitable strength of our citizens and the sacrifices made by so many, and it will serve as a continuing reminder of our ongoing obligation to provide proper care and assistance to the victims of the 9/11 attack, not only the families of those who died on 9/11 but also the first responders, the rescue and recovery workers who came from all over the country and the residents of the surrounding area who continue to suffer the health effects of that tragic day and its aftermath.

I congratulate the members of the Memorial Foundation on their efforts raising funds thus far and pledge our continued support as they begin their work on this enormous task, and I urge all my colleagues to vote for this resolution.

Mr. SHAYS. Mr. Speaker, I rise in support of H. Res. 175, a resolution recognizing the importance of establishing a national memorial at the World Trade Center site and supporting the efforts of the World Trade Center Memorial Foundation to build a permanent memorial at the site.

Five years ago, we lost 2,976 lives in a coordinated attack on our soil, 81 of whom were residents of the 17 towns now in the Fourth District. On the anniversary of the 9/11 attacks, we remember each one of those men and women who lost their lives, and their family and friends who still mourn their loss today.

But this is a tragedy that we will not and cannot forget in another five, 15 or 50 years. We must never forget.

For that reason, I support the creation of a national memorial at the World Trade Center site.

A national memorial is a way to honor the Americans who lost their lives on September 11. It would be a place of gathering for their loved ones to come and remember those they lost. And it would be a tool to help teach future generations about the tragedy of that day, the history of the attacks and the importance of protecting ourselves against future acts of terrorism.

I am grateful for the work of the World Trade Center Memorial Foundation and support their efforts for a permanent memorial at the site.
