TRIBUTE TO JAMES LAMAR
SHULER

HON. KENDRICK B. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 15, 2006

Mr. MEEK of Florida. Mr. Speaker, I rise today to celebrate the life and to mourn the passing of James Lamar Shuler, a civic leader, successful entrepreneur, talented businessman, community role model, devoted husband, beloved family man and loyal friend.

Mr. Shuler will be remembered as a selfless individual who spearheaded economic development and neighborhood revitalization programs within the community. What Mr. Shuler practiced, he preached; vision was followed by action. I grieve with Mr. Shuler's wife, Barbara Carey-Shuler, a former Miami-Dade Commissioner and political icon in South Florida. During this difficult time, the Carey and Shuler families do not mourn alone: They are joined in prayer by a saddened and indebted community.

James Lamar Shuler was born on August 14, 1953 to Marian Steward Shuler and Cleveland Shuler of Delray Beach, Florida. Mr. Shuler attended S.D. Spady Elementary School and graduated from Atlantic High School in 1971. He then graduated from Miami-Dade Community College in 1976 with a degree in Mortuary Science and became a Licensed Funeral Director in 1977. Mr. Shuler soon purchased the House of Albert Funeral Home on West Atlantic Avenue in Delray Beach, then renovated and dedicated Shuler's Memorial Chapel Inc. on May 26, 1985. An institution that served the community was borne. Mr. Shuler was a professional who provided funeral services to all, irrespective of their economic status.

Mr. Shuler hosted a re-dedication celebration on May 21, 2001 to recognize the renovation and expansion of his funeral home. The ribbon cutting ceremony was attended by approximately 800 well wishers, including government officials and celebrities. Mr. Shuler achieved iconic status within the community.

Personal successes were coupled with community leadership activities. Mr. Shuler served as chairman of the West Atlantic Redevelopment Coalition which supported business and investment activities along the West Atlantic corridor. Mr. Shuler also served actively as chair of the Community Redevelopment Agency, guiding neighborhood renewal projects throughout Delray Beach.

Mr. Shuler was named 1998 Mortician of the Year and served as 1st Vice President of the Florida Mortician Association. He attended Saint Paul AME Church in Delray Beach. He was also a member of the Delray Beach Masonic Lodge #275, the Zeta Iota Sigma Chapter of Phi Beta Sigma Fraternity, the Alpha Gamma Chapter of Epsilon Nu Delta Mortuary Fraternity, the Vision 2000 Committee for Delray Beach.

Mr. Shuler is survived by his wife, Barbara Carey-Shuler; sons, Victor Shuler and Wesley

Potts; daughter, Jessica Coogle; stepson, Archie Carey; two brothers, Jerry Shuler and Cleveland Shuler; and a sister, Marion Stewart.

When families throughout Delray Beach and South Florida experienced the passing of a loved one, they came to Shuler's Memorial Chapel for funeral arrangements. It was James Lamar Shuler who would comfort the bereaved, in a manner that bespoke his grace, empathy and humanity. We stand united as one community honoring this remarkable man.

RECOGNIZING THE OPENING OF
THE CHEESECAKE FACTORY IN
THE DULLES TOWN CENTER

HON. TOM DAVIS

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 15, 2006

Mr. DAVIS of Virginia. Mr. Speaker, I rise today to recognize the opening of the Cheesecake Factory located in the Dulles Town Center.

The Dulles Town Center is a commercial, retail, and office park located in Loudoun County, VA, which is the second fastest growing county in the nation. This exciting restaurant addition will add to the elegant atmosphere and tasty restaurant choices already provided by the existing 185 surrounding stores and restaurants.

The history of the Cheesecake Factory begins with Oscar and Evelyn Overton in the 1940's. Evelyn created her Original Cheesecake recipe, and it immediately gained praise from family and friends. With the dream of owning a successful family business, Evelyn opened a small cheesecake shop in her hometown Detroit. The business then moved to the Overton family's basement kitchen to continue to provide the local restaurants with her famous cheesecakes.

In 1971, the Overtons decided to move their cheesecake business to Los Angeles. Using their retirement savings, they opened a small bakery selling only Evelyn's Original Cheesecake. They called it "The Cheesecake Factory." In 1978, son David joined the family business and founded The Cheesecake Factory restaurant in Beverly Hills to showcase his parents' delicious, high-quality baked goods. The restaurant became an immediate success, not an easy feat in the culinary business. Today there are more than 100 Cheesecake Factory restaurants nationwide, and the residents of Loudoun, Prince William, and Fairfax counties will surely enjoy the additional restaurant in the Dulles Town Center.

Mr. Speaker, in closing, I ask that my colleagues join me in recognizing the opening of the Cheesecake Factory in the Dulles Town Center.

IN RECOGNITION OF AMBASSADOR
EURIPIDES L. EVRIVIADES

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 15, 2006

Mrs. MALONEY. Mr. Speaker, I rise today to pay tribute to Ambassador Euripides L.

Evriviades, who has served as the Cypriot ambassador to the United States since December 2003.

As a co-founder and co-chair of the Congressional Caucus on Hellenic Issues, I have worked closely with Ambassador Evriviades on several issues of importance to both the United States and Cyprus. He exemplified uncommonly exceptional service in building on the harmonious relations between our countries.

Ambassador Evriviades worked diligently with Congress to ensure that lawmakers understood the importance of ending the division of Cyprus. Over the last three years, he has worked with untiring devotion to create awareness and compassion for finding a peaceful solution for Cyprus. I commend him for his commitment to the reunification of Cyprus.

The people of Cyprus have been fortunate to have such an accomplished individual represent them not only in the United States but in a variety of other diplomatic posts. As a career diplomat, he has held positions at Cypriot embassies in Libya, USSR/Russia, Germany, and served as the Ambassador to Israel and the Netherlands before coming to Washington.

As a testament to his exemplary public service over the years, he was lately honored with the King Legacy Award for International Service in recognition for his distinguished leadership and contributions and for his steadfast dedication to sharing and implementing Dr. King's historical work wherever he has traveled.

While I am sad to see Ambassador Evriviades leave his post in the United States, I am grateful for his three years of stellar service. I am confident that he will bring this same level of passion and integrity to his next endeavor.

NEW BOOK DETAILS ATROCITIES
AGAINST SIKHS

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 15, 2006

Mr. TOWNS. Mr. Speaker, in the June issue of the International Journal of Sikh Affairs, Dr. Awatar Singh Sekhon reviews a book entitled "Tabai Ros Jagio," which translates into English as "Details of Fundamentalist Hindus' Attacks on the Sikh Faith," by Dr. Sukhpreet Singh Udhoke. The book details how the fundamentalist Hindus who run India have been attacking Sikhism and other faiths since the very earliest days of the Indian republic. Despite the fact that the Brahmin caste is only 3 percent of the population, they run Indian society, according to Dr. Udhoke.

Dr. Udhoke details those Sikhs who have supported the Hindu fundamentalists in their effort to enforce Hinduism on the entire population of India. He details those who connived with India on the attack on the Golden Temple, the seat of the Sikh religion. He recorded the brutality of the Brahmins and the Hindu fundamentalists. He writes about how their umbrella organization, the Rashtriya Swayamsewak Sangh (RSS), was founded to support the Fascists in Europe. He describes the RSS as a terrorist organization. India claims to be our ally in the War on Terror, but their preeminent ideology is a brand of Fascism that practices violence against minorities and their neighbors.

We should stop aid and trade with India and we should be vocal and active in supporting self-determination for all the people there. That is how we can help bring freedom to all in the subcontinent.

Mr. Speaker, I highly recommend Dr. Sekhon's excellent review of Dr. Udhoke's excellent book to my colleagues, and I would like to place the review in the RECORD now.

[From the International Journal of Sikh, Affairs, June 2006]

BOOK REVIEW

(By Awatar Singh Sekhon)

Title: *Tabai Ros Jagio*, translation in English Details of Fundamentalists Hindus' Attack on the Sikh Faith 2005, by Dr. Sukhpreet Singh Udhoke, is an eye opener, with regard to the premeditated attacks by the fundamentalist Hindus, belonging to the Rashtriya Swamsewak Sangh and the members of the "Sangh Parivar/family", on the followers of the Sikh Faith.

It was a great pride and pleasure for the reviewer, who is the Editor in Chief, The International Journal of Sikh Affairs ISSN 1481-5435, published from Canada, to write a few words on the publication of Dr. Sukhpreet Singh Udhoke. Dr. Udhoke is a medical professional but is devoting most of his precious time in recording the much needed events of the Sikh history of the 20th and 21st centuries. These events pertain to the persecution of the Sikh youth in particular and for the present and coming generations of the Sikh faith, the Guru Khalsa Panth. Dr. Udhoke's first publication, *Tabai Ros Jagio*, published in July 2004, was an excellent treatise relating to the "Attacks on the Sikh faith, Sikh culture, Sikh heritage, Sikh pride, Sikh esteem, Guru Granth Sahib (Holy Scripture of Sikhs), the Sikh identity, and the Sikh nation, Punjab, Khalistan, struggling for its independence by peaceful means." His book clearly reflects the intimidation of the Sikhs of their holy and historic homeland, Punjab, by their traditional and notorious enemy, the fundamentalist Hindu organizations as well as the politicians of the preceding and present administrations of the Indian democracy, its New Delhi administrations of J.L. Nehru to Manmohan Singh, run primarily by the Brahmins (who are only 3 percent of the total population of India of over a billion hungry mouths) and about 15 percent pro-Brahmins. This group has captured more than 80 percent of the total decision-making jobs of the Indian administration. Dr. Sukhpreet Singh Udhoke's task at hand was not an easy one, especially when his, his forefathers, and the Sikhs' holy and historic homeland is under the occupation of the Sikhs' enemy, the Brahmins, "Butchers of our world", according to the founder of the Sikh faith, Guru Nanak Sahib.

The Indian administration and their international news media's term, the "largest democracy of the world", India, made Dr. Udhoke's task highly difficult in describing the reality and tragedy of the Sikh nation, Punjab, and beyond the understanding of an ordinary citizen of the Sikhs' holy and historic homeland.

It is amply clear that the Sikh leaders, of Punjab so to speak, and most commonly known as the Dastardhari (turbaned) Hindus in the Sikh identity, have failed to respond to the psyche and aspirations of the Sikhs of Punjab, the Sikh Diaspora and the Sikh nation. Rather, these Dastardhari Hindus in the Sikh Identity have fallen into the trap of the Brahmins and pro-Brahmins. The day in and the day out, the Sikhs' Darbar Sahib Complex (Golden Temple Complex), which includes the Supreme Seat of Sikh Polity, Akal Takht Sahib, Amritsar, and other religious and political places of

the Sikhs, Gurdwaras (Houses of God), are desecrated, to humiliate the Sikh nation. The saddest moment of the Sikh history of post-15th August, 1947, is that a Dastardhari Hindu in the Sikh Identity, Prakash Singh Badal, his clan and the Badal faction of Akali Dal were the party for the desecration of Darbar Sahib Complex. So much so the custodian, the so-called jathedar, of Akal Takht Sahib, Vedanti Joginder Singh Saran actively watched the ball game of his employer, the executive of the Shiromani Gurdwara Prabhandhak Committee (SGPC), and SGPC's member as well as the president of the Akali Dal-Badal faction, Prakash Singh Badal himself. What an unfortunate part of the Sikh history!

The present and former custodians of the Akal Takht Sahib, Vedanti Joginder Singh Saran, Puran Singh of Luv and Kush, Manjit of Kesgarh, Kirpal Singh, etc. failed to provide any directions to the Sikh Nation, Guru Khalsa Panth or the Sikhs of Punjab. They however, collaborated with the enemy of the Guru Khalsa Panth.

Dr. Sukhpreet Singh Udhoke, a young Sikh full of energies, recorded in his book, the brutality of the Sikhs' traditional enemies, the Brahmins and pro-Brahmins belonging to the Hindumahasabha (mother of all evils) and its offshoots such as Swam Sevak Sangh, Jansangh, Rashtriya Swamsewak Sangh (RSS), a terrorist organization as declared by the United States administration, Rashtriya Sikh Sangat (formed at the directions of A. B. Vajpayee and his clique in 1990s) the "Sangh family", responsible for anti-non-Brahmin and anti-non-Hindu activities, and other such organizations, as well as the activities of the Saffaronized fundamentalist Hindu organizations Vishwa Hindu Parishad, Hanuman Sena, Shiv Sena, Bajrang Dal, to cite a few. The RSS was formed in support of the Fascists of Europe. Dr. Udhoke has exposed Saffaronization of the Sikh history, disrespect and character assassination of the Sikh Gurus, Guru Nanak Sahib to Sahib Guru Gobind Singhji, by these organizations and their supporters. Finally, I wish Dr. Sukhpreet Singh Udhoke, who is a gifted and prolific writer and speaker all the best. May the the Almighty Lord shower. His blessings on him.

RECOGNIZING OREST DEYCHAKIWSKY'S 25 YEARS OF SERVICE ON THE COMMISSION ON SECURITY AND COOPERATION IN EUROPE

HON. CHRISTOPHER H. SMITH

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 15, 2006

Mr. SMITH of New Jersey. Mr. Speaker, today I am pleased to pay tribute to Orest Deychakiwsky for his 25 years of faithful service to the Commission on Security and Cooperation in Europe, the Helsinki Commission. Orest began his work as a member of the professional staff on November 15, 1981, just six years after the signing of the Helsinki Final Act, a period marked by ruthless Soviet repression and widespread violations of human rights and fundamental freedoms.

Driven by a deep commitment to aid the victims of Communist oppression, Orest devoted himself to documenting the human rights cases, particularly those involving divided families, an especially poignant task given his own family's history under Soviet domination and repression. He was responsible for compiling

and maintaining the lengthy lists of individuals seeking to emigrate from the Soviet Union and Romania. Each spring would bring an opportunity to secure the exit of some of the thousands effectively held hostage in Romania by the Ceausescu regime. Orest was faithful in making representations to the Romanian Embassy on behalf of all those seeking to exercise their right to leave their country. When Moscow began to accept emigration lists from the Commission in the mid-80s, Orest's diligent efforts on behalf of refuseniks began to pay off for families, including some with American spouses, who were finally allowed to leave the Soviet Union after a decade or more of waiting.

With a passion for Ukraine, his familial homeland, Orest helped document modern Soviet repression in that country including imprisonment of human rights activists, suppression of Ukrainian culture and language as well as harsh actions against the Ukrainian Catholic Church. He was at the forefront of efforts in support of the restoration of Ukrainian independence and the consolidation of democracy in that country following the demise of the Soviet empire. Despite setbacks, Orest was optimistic that the people of Ukraine would insist on a democratic future for their country. On a cold November night in 2004, he witnessed firsthand their determination as he stood in Kiev's Independence Square where tens of thousands of Ukrainians gathered to protest fraudulent elections.

Fifteen years earlier he had stood in the main square in Sofia, Bulgaria as peaceful demonstrators stood up to tyranny, ushering in the demise of Eastern Europe's longest standing dictatorship. In recent years, he has been active in confronting the repressive regime of Aleksandr Lukashenka in Belarus, Europe's last dictatorship.

Mr. Speaker, in this year when we observe the thirtieth anniversary of the Helsinki Commission, as a long serving Commissioner and Co-Chairman, I am pleased to recognize and commend Orest Deychakiwsky for his faithful service and tireless defense of human rights and dignity.

RECOGNIZING NATIONAL DIABETES MONTH

HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 15, 2006

Mr. LIPINSKI. Mr. Speaker, I rise today to recognize November as National Diabetes Month. Since 1975, November has served as a time of increased public awareness and understanding of diabetes, as well as a time to celebrate the institutions and people that labor year round to improve diabetes care. This November, the American Diabetes Association has placed a specific focus on increasing care for those affected by the disease. As one of the 21 million Americans with diabetes, I truly understand the fundamental importance of diabetes awareness, education, detection, and research.

Diabetes is a disease in which the body fails to produce or properly use insulin, a necessary hormone needed to process the sugar and starches that our bodies use for energy. The disease can lead to a series of complications, including increased risk of heart disease
