So (two-thirds of those voting having responded in the affirmative) the rules were suspended and the resolution, as amended, was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. NORWOOD. Mr. Speaker, on rollcall No. 21, on Motion to Suspend the Rules and Agree, as Amended (H. Res. 15), had I been present, I would have voted "yea."

HOUR OF MEETING ON TOMORROW

Mr. HOYER. Mr. Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 9 a.m. tomorrow.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Maryland?

There was no objection.

EMBRYONIC STEM CELL RESEARCH

(Mr. HOLT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HOLT. Mr. Speaker, I am pleased that with the vote recently completed,

we will move toward research in embryonic stem cells.

My home State of New Jersey asserted real national leadership on stem cell research. In 2005, New Jersey became the first State in the Nation to award public funds for research on human embryonic stem cells. But one State or another supporting this research is not a substitute for Federal support.

Opponents of this legislation that we passed say that we should pursue alternative avenues for research such as adult stem cells, cord blood cells, amniotic fluid cells, and they are correct. We should investigate each one of these avenues. Yet that is not a compelling reason to block the researchers from pursuing embryonic stem cell research, which experts agree hold the greatest potential because of the truly broad nature of these embryonic stem cells.

APPOINTMENT OF MEMBER TO UNITED STATES GROUP OF THE NATO PARLIAMENTARY ASSEMBLY

The SPEAKER pro tempore. Pursuant to 22 U.S.C. 1928a, and the order of the House of January 4, 2007, the Chair announces the Speaker's appointment of the following Member of the House to the United States Group of the NATO Parliamentary Assembly:

Mr. TANNER, Tennessee, Chairman.

SPECIAL ORDERS

The SPEAKER pro tempore. Under a previous order of the House, the following Members will be recognized for 5 minutes each.

IRAQ AND THE WAR ON TERROR

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Oregon (Mr. DEFAZIO) is recognized for 5 minutes.

Mr. DEFAZIO. Mr. Speaker, after 9/11, the House of Representatives voted in unprecedented near unanimity with one dissenting vote to invade Afghanistan and go after the perpetrators of 9/11, Osama bin Laden, al Qaeda, and also their host, the Taliban. The U.S. Forces with real allies quickly accomplished that mission, displacing the Taliban, Osama bin Laden, al Qaeda.

Unfortunately, because of the administration's diverting its attention already toward Iraq and failing to send adequate troops into Afghanistan and overly relying upon untrustworthy Afghan warlords, Osama bin Laden escaped, as did the one-eyed Omar of the Taliban, al-Zawahiri, his deputy.

They are still at large. They are still planning attacks in the United States. In fact, they are resurgent. For the first year since our invasion of Afghanistan, the Taliban didn't shrink back into Pakistan for the winter. They have set up sophisticated forward bases in Southern Afghanistan.
