STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. VOINOVICH (for himself, Mr. AKAKA, Mr. LUGAR, Ms. MIKULSKI, and Mr. STEVENS):

S. 342. A bill to expand visa waiver program to countries on a probationary basis and for other purposes; to the Committee on the Judiciary.

Mr. VOINOVICH. Mr. President, I rise to introduce The Secure Travel and Counterterrorism Partnership Act of 2007, along with my good friends Senators AKAKA, LUGAR, and MIKULSKI. This legislation would expand the U.S. Visa Waiver Program in a way that would increase cooperation with key allies in the War on Terror while strengthening U.S. national security.

The bill provides a way for us to expand and improve the Visa Waiver Program so that Americans are safer and our Nation is more prosperous for years to come.

This legislation comes at a particularly important time in our Nation's history. We are currently facing multiple foreign policy challenges in the post-9/11 world. We need the cooperation of several allies to combat transnational threats. As such, we are asking our friends and allies to contribute more of their troops and resources to Iraq, Afghanistan, and other conflicts in the world, so that we can be successful. This legislation will help us to solidify key relationships and increase goodwill toward the U.S. for years to come, while also enhancing travel security standards and safety at home.

My legislation would authorize the Department of Homeland Security, in consultation with the Department of State, to expand the Visa Waiver Program to countries that are true friends of America and are prepared to do more to help us keep terrorists and criminals out of our borders.

For those that do not know about the Visa Waiver Program, it was established in 1986 to improve relations with U.S. allies and strengthen the U.S. economy. The program permitted nationals from the selected countries to enter the United States without a visa for up to 90 days for tourism or business purposes.

Currently, 27 countries participate in the program, including the United Kingdom. No countries have been added to the Visa Waiver Program since 1999. But there are a number of newer allies who would also like to participate in the Visa Waiver Program and are willing to meet strict security requirements and cooperate on counterterrorism initiatives.

Many of these countries were former members of the Soviet Union. They were victims of Soviet oppression for years, against their will, and despite their desire for freedom. These countries have a unique understanding of the struggle for democracy taking place in Iraq and Afghanistan. Today, many of these countries have had boots on the ground in Iraq and Afghanistan
