

for his students and community. I wish to congratulate Mr. Vranish for receiving the Communities in Schools Superintendent of the Year from the Texas Education Agency.

TRIBUTE TO WILLIAM CLAY FORD,  
JR.

**HON. SANDER M. LEVIN**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 19, 2007*

Mr. LEVIN. Madam Speaker, I rise to congratulate William Clay Ford, Jr., on being a recipient of the Jewish Community Center of Metropolitan Detroit's "City of Detroit" Boneh Kehillah Award. Mr. Ford displays an unwavering devotion, as a business and community leader, to the people and the company that help define Detroit as the Motor City. It is my privilege to acknowledge Mr. Ford for his exemplary commitment to the growth of 21st century innovation and ushering in a renewed sense of community and pride to the citizens of Metro Detroit.

Among the many titles Mr. Ford has held throughout his career with Ford Motor Company, he is most notably recognized for serving as the President and CEO of Ford Motor Company and for his continuing role as executive chairman of the board of directors. Mr. Ford is a proven leader in the automotive industry and a conscientious environmentalist, a combination that allows him to promote technology that improves our lives while investing in Michigan's economic future and preserving our planet.

Mr. Ford displays a commitment to the spread of ideas and humanitarianism that reach far beyond the walls of the boardroom. He humbly utilizes his resources to give back to the community and takes an active role in organizations that promote regional economic revitalization such as Detroit Renaissance and the Detroit Economic Club. Mr. Ford inherited a name that is easily identified with Detroit, but it is his actions and personal convictions that ultimately define him as a spirited leader in our community.

I am honored to express my gratitude and admiration to Mr. Ford. He truly exemplifies "Boneh Kehillah" through his on-going efforts to foster a bold plan for the future of Metro Detroit and its workers.

Madam Speaker, I ask my colleagues to join me in recognizing Mr. Ford on this momentous occasion. May he know of our admiration and warmest wishes for continued success.

OFFERING HEARTFELT CONDO-  
LENCES TO THE VICTIMS AND  
THEIR FAMILIES REGARDING  
THE HORRIFIC VIOLENCE AT  
VIRGINIA TECH AND TO STU-  
DENTS, FACULTY, ADMINISTRA-  
TION AND STAFF AND THEIR  
FAMILIES WHO HAVE BEEN AF-  
FECTED

SPEECH OF

**HON. EDOLPHUS TOWNS**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 18, 2007*

Mr. TOWNS. Madam Speaker, I rise today to express my sorrow and disbelief over the

massacre at Virginia Tech. I join a country and Congress, especially my colleague from Virginia, that are still experiencing profound mourning and shock. I extend my deepest sympathies to the families and friends of all the Virginia Tech victims. We all continue to have the injured victims in our prayers.

I particularly want to recognize the heroism of Virginia Tech Professor, Liviu Librescu, who was gunned down while blocking his classroom door while he and his students were under attack, ultimately sacrificing his own life for those of his students.

Mr. Librescu, age seventy-six, was born in Romania and survived the Holocaust and his internment in a labor camp and Focsani ghetto. He and his family later survived the oppression of the Romanian dictator, Nicolae Ceaucescu, and ultimately left Romania for Israel after then Israeli Prime Minister, Menachem Begin, personally intervened for the family's release. He came to Virginia Tech to teach in 1986.

Liviu Librescu was a celebrated scientist who was an expert in composite structures and aeroelasticity, which worked earned him NASA grants and other prestigious awards for his impressive work.

Madam Speaker. Liviu Librescu is to be buried imminently in his native Israel.

Yesterday, the Jewish community, in my native Brooklyn, volunteered to hold a service for Mr. Librescu in Borough Park and hundreds of Brooklyn residents gathered to pay their respects to Mr. Librescu and his widow Marlena Librescu, before they returned to Israel. The care and concern shown by the Brooklyn community for the Librescus, was truly remarkable.

I think New York State Assemblyman, Dov Hikind, said it best when he remarked about Mr. Librescu that, "not only was he a hero of the Jewish people, but a hero of all people".

May his remembrance be a blessing.

TRIBUTE TO BOB KEEGAN

**HON. HENRY C. "HANK" JOHNSON, JR.**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 19, 2007*

Mr. JOHNSON of Georgia. Madam Speaker, after nearly 33 years of service with the Centers for Disease Control (CDC), Bob Keegan, deputy director of the Global Immunization Division, retired on March 30, 2007. Bob spent the first 11 years of his career in STD control, first as a public health advisor in Newark, NJ, and New York City; as STD regional training instructor in Atlanta; as deputy to Marty Goldberg in Houston, TX; and finally as the STD education specialist in Atlanta.

From 1985 to 1990, Bob coordinated CDC's Refugee Health Activities in Southeast Asia, helping to assure that refugees from Vietnam, Cambodia, and Laos were immunized and treated for communicable diseases.

In 1991, Bob joined the newly formed Polio Eradication Activity, which had a staff of six and an annual budget of \$3 million. Since that time, the Activity has grown to become the Global Immunization Division, GID, with a staff of 100, and an annual budget of more than \$140 million. GID has expanded to include measles mortality reduction and regional elimination, and routine immunization strengthening. As the deputy director of GID, Bob has

helped CDC become a major force in the global polio eradication initiative. Bob is a recipient of the William C. Watson Jr. Medal of Excellence, Public Health Advisor of the Year Award from the Watsonian Society, the Philip Home Award from NIP, and the CDC Foundation Heroes Award.

Bob worked closely with the CDC Foundation, CDC colleagues, Rotary International, and partners to help establish the Polio Eradication Heroes Fund. This fund honors those injured or killed while working on vaccination campaigns with recognition and a cash award for their families. Bob also helped the CDC Foundation establish the Endowment for Global Health Priorities, providing a flexible funding source for essential services and equipment for CDC's global health activities. This endowment has been especially useful to support activities in the field.

Although not part of his official duties, Bob is the developer and administrator of CDC Chatter.net, an unofficial blog for CDC employees.

Bob is known as an innovative leader, a superb manager and creative trainer, and, at times, a rabble-rouser. He has served as an informal mentor to many and has gained deep respect and friendship from colleagues around the world. Not quite ready to put his feet up, Bob plans to ride his recumbent tricycle across the United States this summer before joining Gloria, his wife, in London where she will continue her career in school counseling.

I congratulate him on his achievements.

INTRODUCTION OF THE TEACH  
FOR AMERICA ACT

**HON. CHRIS VAN HOLLEN**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 19, 2007*

Mr. VAN HOLLEN. Madam Speaker, I rise today to introduce the Teach for America Act and to ensure that this important program gets the Federal support it needs to expand and put more outstanding recent college graduates in our Nation's underserved schools. I thank my bipartisan cosponsors, Congressman CASTLE, Congresswoman DELAURO, Congressman REGULA, and Congressman SARBANES, for their work on this issue.

Teach for America is a national corps of college graduates of all academic majors who commit two years to teach in public schools. Since its creation in 1990, more than 12,000 exceptional individuals have joined Teach for America and directly impacted the lives of over 2 million students in under-resourced schools across the country.

What's more, when these teachers leave the program, they often continue to work in education and public service. Sixty-three percent of Teach for America alumni remain in education as teachers, principals, school founders, and policy advisors. Others pursue work in fields such as law, medicine, and social work where they continue to increase opportunities for children living in low-income communities.

Madam Speaker, 17 years of experience have proven that Teach for America is a program that works. We in Congress have supported this program in the past. Our bill would cement our partnership with this important initiative by making Teach for America a federally-authorized program. It would help Teach
