U.S. TROOP READINESS, VETERANS' CARE, KATRINA RECOVERY, AND IRAQ ACCOUNTABILITY APPROPRIATIONS ACT, 2007

Mr. OBEY. Mr. Speaker, pursuant to House Resolution 438, I call up the bill (H.R. 2206) making emergency supplemental appropriations and additional supplemental appropriations for agricultural and other emergency assistance for the fiscal year ending September 30, 2007, and for other purposes, with a Senate amendment thereto, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The Clerk will designate the Senate amendment.

The text of the Senate amendment is as follows:

Senate amendment:

Strike out all after the enacting clause and insert:

Since under the Constitution, the President and Congress have shared responsibilities for decisions on the use of the Armed Forces of the United States, including their mission, and for supporting the Armed Forces, especially during wartime;

Since when the Armed Forces are deployed in harm's way, the President, Congress, and the Nation should give them all the support they need in order to maintain their safety and accomplish their assigned or future missions, including the training, equipment, logistics, and funding necessary to ensure their safety and effectiveness, and such support is the responsibility of both the Executive Branch and the Legislative Branch of Government; and

Since thousands of members of the Armed Forces who have fought bravely in Iraq and Afghanistan are not receiving the kind of medical care and other support this Nation owes them when they return home: Now, therefore, be it

Determined by the Senate (the House of Representatives concurring), that it is the sense of Congress that—

(1) the President and Congress should not take any action that will endanger the Armed Forces of the United States, and will provide necessary funds for training, equipment, and other support for troops in the field, as such actions will ensure their safety and effectiveness in preparing for and carrying out their assigned missions;

(2) the President, Congress, and the Nation have an obligation to ensure that those who have bravely served this country in time of war receive the medical care and other support they deserve; and

(3) the President and Congress should—

(A) continue to exercise their constitutional responsibilities to ensure that the Armed Forces have everything they need to perform their assigned or future missions; and

(B) review, assess, and adjust United States policy and funding as needed to ensure our troops have the best chance for success in Iraq and elsewhere.
