

Nurses were utilized to have one-on-one visits with women presenting with abnormal breast exams; and a network of nurturing physicians and relationships with hospitals were developed to ensure follow-up care. In fact, the rate of follow-up visits in this program with physicians was an impressive 98% compared to the national average of 30%. The program she designed and implemented has been replicated throughout the United States because it has achieved such impressive outcomes. Mrs. Leigh Gold, who is retiring in June, 2007, has guided this nationally recognized program for 17 years.

Mrs. Leigh Gold holds a bachelors degree in Social Welfare from A&T State University in Greensboro, North Carolina, a masters degree in Management from Cardinal Stritch University in Milwaukee, Wisconsin, as well as an LPN certificate. She has been married to Joe Gold for over 20 years.

Madam Speaker, for these reasons, I am honored to pay tribute to Mildred Leigh Gold. Mrs. Leigh Gold's dedication to women's health care and her work to promote awareness and provide access to breast cancer treatment has truly been a life saver for many women in my district.

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2007

Mr. HIGGINS. Madam Speaker, I rise today to honor Joe Trusso for his 37 years in public service. He was the representative of the southeast neighborhoods of the City of Jamestown in District 16. Mr. Trusso was first elected to the Chautauqua County Board of Supervisors/Legislature in 1971.

I would like briefly to touch on the many areas of service that Joe gave to our county. During his tenure, Mr. Trusso served as the chairman of the School-to-Work/Scholarship Subcommittee, Manpower Utilization, Finance, and Personnel/Human Services Committees. In addition to his current chairmanship of the Audit and Control Committee and vice chair, former chair, of the Public Facilities Committee, he has been a member of and chaired the Judicial and Public Safety and Public Works Committees. He has served on the Airport Commission, the Southern Tier West Board of Directors and Budget Watch Committees. He was also elected Democratic minority and majority leader. As a legislator, Mr. Trusso has authored Pre-Paid Capitalization Legislation and is the co-author of the Trusso-Beckman Debt Reduction Legislation that eliminated the county's long-standing debt.

I must also acknowledge Mr. Trusso's other interests. Joe served on the Resource Center and Allied Industries Board of Directors since 1967, where he is still serving as a special committee member, and has held several leadership positions. Mr. Trusso was the Assistant Director of the Parks, Recreation and Conservation Department and served on the Jamestown Industrial Development and Commerce Committee. He is a member of St. James RC Church, Veterans of Foreign Wars, AMVETS, Samuel Derby Post American Legion, Knights of Columbus—Fourth Degree, Moose Club, Marco Polo Club, Lakewood Rod and Gun Club and the UAW Local #338

I am proud to mention that Mr. Trusso served his country from 1952–1956 in the United States Air Force (Korean War Veteran); Medical Field Service School and from 1956–1960 in the United States Air Force Reserves.

Madam Speaker, I ask you to join me in congratulating Joe on his wonderful job well done in the Chautauqua County Legislature. Joe, you will be missed by all of the constituents whose lives you touched. Enjoy your retirement!

These include New York Presbyterian Hospital, Shaarei Tzedek Hospital in Jerusalem, Jewish Guild for the Blind, Yeshiva College, AIPAC, Shema Kolainu for Autistic Children, American Friends of Yeshivat B'nei Akiva, Jewish Telegraphic Agency, Newark Public Library, International Rescue Committee, Hebrew Institute of Riverdale, American Friends of Shalva, New Jersey Institute of Technology, Newark Public Library, Riverdale Y, Digital Freedom Network, Tuoro College, Yeshivat Hovevei Torah, SAR, Eidah, Yeshivat Shmuel Yaakov, Fairness Committee, Voices and Bar Ilan University.

In addition Mr. Jonas has been the honorary chairman of The Beth Jacob/Beth Miriam Yeshiva for the past thirteen years. This is an incredible record of accomplishment for one person and I personally am in awe.

Howard is a local boy who graduated from Bronx High School of Science and went on to get a B.A. in Economics from Harvard University.

He also went on to revolutionize international telecommunications. At age 33, he found a way to supply the world with a U.S. dial tone and cheap international long distance rates, creating international "callback" telephone service, now an over a billion dollar a year industry.

Howard founded IDT in August 1990 and has served as Chairman of the Board and Treasurer since its inception. He was Chief Executive Officer from December 1991 to August 2001. IDT is known as a model of upstart entrepreneurship, continually innovating and looking for the next great cutting edge business opportunity.

He is also the founder and has been President of Jonas Publishing Corporation, a publisher of trade directories, since its inception in 1979.

Howard Jonas is a man who is generous in his help over a wide area and is someone who has made a significant difference in the life of his community.

TRIBUTE TO OUR VETERANS

HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2007

Ms. WOOLSEY. Madam Speaker, I rise today to honor the brave men and women who have fallen in service to our country. This weekend, as we return home to celebrate Memorial Day with our friends and families, let us take time to reflect on the countless sacrifices that have been made by our men and women in uniform.

Since the founding of our nation, the men and women in our armed forces have served this country with honor. They have fought to defend and preserve our nation from forces that have threatened to divide our country and destroy our way of life. America is a better place for their courage and their service.

As a grateful nation, we cannot ignore our responsibility to repay those who have served in defense of our country. This means doing everything we can to provide our veterans with comprehensive health care that is affordable, accessible, and available for life.

Instead of honoring our promises to our veterans, this Administration has tried to turn a blind eye to their problems. This Administration has attempted to push the increasing costs of veterans' health care onto veterans by charging higher premium and deductibles and reducing the number of veterans eligible
